JEFFERSON STARSHIP AND LITTLE RIVER BAND HEADLINE THE POWERSTATION EVENTS CONCERT SERIES AT THE TRAVELERS CHAMPIONSHIP

HARTFORD, Conn., April 29, 2014 – The Travelers Championship is pleased to announce that Jefferson Starship and Little River Band will headline the [Powerstation Events Concert Series](#) during tournament week. Little River Band is scheduled to perform on Friday, June 20, and Jefferson Starship is scheduled to play on Saturday, June 21. The concerts will begin at approximately 7 p.m. – soon after the last golfer of the day finishes his round – and will be held in the SUBWAY® Fan Zone located near the center of the course.

“The Powerstation Events Concert Series continues to be a staple at our tournament, bringing top acts to Connecticut for our fans to enjoy at no additional cost to the ticketholder,” said Travelers Championship Tournament Director Nathan Grube. “These acts, mixed with seeing golf from one of our strongest player fields in the tournament’s history, will be a thrill for our fans.”

Fans can attend the Powerstation Events Concert Series by purchasing an Any One Day Ticket, which provides access to the tournament and all of the entertainment throughout the day. Powerstation Events is the premier name in event entertainment and production in Connecticut. Since their humble beginnings in 1983, Powerstation Events has gone on to serve more than 20,000 various events of all different sizes and types throughout the state.

“It is with great pleasure that for the third consecutive year we present the Powerstation Events Concert Series at the Travelers Championship,” said Al Vagnini, president of Powerstation Events. “To produce a music concert amidst the backdrop of a PGA TOUR event is a truly unique and excellent concept and our team couldn’t be more proud to partner with the Travelers Championship to stage this great event and to support the many charities that the Travelers Championship benefits.”

Jefferson Starship is an iconic psychedelic rock group, earning considerable success in the 1970s and 80s. The group has also had three singles reach No. 1 on the charts: “We Built This City,” “Sara,” and “Nothing’s Gonna Stop Us Now.” The band has remained active, having released a new album in 2013 entitled “Loveless Fascination.”

Little River Band is an Australian rock band and one of the most significant bands in that country’s history. They’ve had tremendous success in the U.S. as well, earning 13 U.S. Top 40 hits, including “Reminiscing,” “Lady,” “Lonesome Loser,” “The Night Owls,” and many more. Their albums “Sleeper Catcher,” and “First Under the Wire” both went platinum in the late 1970s, while albums “Diamantina Cocktail” and “Time Exposure” were certified gold. The band has sold more than 25 million records worldwide.
