# WELCOME FROM TRAVELERS

Welcome to the 2015 Travelers Championship at TPC River Highlands!

This year's tournament begins yet another chapter for Connecticut's well regarded PGA TOUR

event as we enter into the next phase of our title sponsorship. Your partnership, and the tremendous amount of support from the community, has helped us to make the past eight years a success on many levels.

Since 2007, the tournament has generated more than \$8 million for charity, including nearly \$1.6 million in 2014 for more than 140 organizations. One of the major beneficiaries, The Hole in the Wall Gang Camp, which provides a summer camp experience for seriously ill children, was named 2014 PGA TOUR Charity of the Year. Founded by Paul Newman, the organization serves more than 30,000 local children and their families each year through its camp in Ashford, Conn., and Hospital Outreach Program.

The community continues to reap a significant annual economic benefit of nearly \$28 million as a result of the event. The Travelers Championship is one of the state's largest sporting events, drawing visitors from all over New England and beyond. The television broadcast brings worldwide attention to Connecticut, highlighting some of the best qualities of the state. Travelers is very proud to be one of the few hometown title sponsors on the PGA TOUR and to play a role in bringing such benefits to Connecticut.

Interest from fans and the best players on the PGA TOUR continues to gain momentum. Our player field includes the biggest names in golf each year, and it is our goal to make the tournament a 'can't miss' event for players and fans alike.

These stories simply could not be told without your support and efforts. On behalf of Travelers and our entire team, thank you for supporting the tournament and bringing it to life for fans around the world. We strive to make the Travelers Championship bigger and better each year, so please let us know if there's anything we can do to enhance your experience.

Sincerely,

Jay Fishman  
Chairman  
& Chief Executive Officer

Andy Bessette  
Executive Vice President  
& Chief Administrative Officer

# WELCOME FROM GOVERNOR MALLOY

Dear Friends:

On behalf of the State of Connecticut, it is my pleasure to welcome all in attendance to the 2015 Travelers Championship.

For years, the Travelers Championship has drawn thousands of fans to our state thanks to unwavering support from Travelers and the many other sponsoring companies that have made this event possible. I applaud the generosity of the individuals, businesses, and organizations that have contributed to the growth of this remarkable event. Through your efforts, 100 percent of the net proceeds from the Travelers Championship will once again be contributed to more than 100 charities throughout the region, adding to the astounding total of \$8 million raised since 2007.

As we celebrate this consummate example of philanthropy, sportsmanship, and generosity, we must extend our heartfelt appreciation to all of the fans, volunteers, players, and staff who are in attendance.

You have my best wishes for a successful tournament.

Sincerely,

Dannel P. Malloy  
Governor

# ABOUT TRAVELERS

The Official Property Casualty Insurance Provider of the PGA TOUR, Travelers has been proudly associated with the Travelers Championship since its inception in 1952, becoming title sponsor in 2007. The company remains committed to working closely with its tournament partners to make the Travelers Championship a best-in-class PGA TOUR event through active and engaged leadership, a focused charitable vision, and by delivering a well-rounded experience for all fans and participants – a combination that builds on the tournament's great legacy and, we believe, will deliver an even brighter future.

Travelers is a leading provider of insurance for auto, home, and business, primarily available through independent insurance agents and brokers. The company has more than 30,000 employees and is a component of the Dow Jones Industrial Average.

The company has been doing business in Connecticut for more than 150 years, and today has more than 7,000 employees in the state. Travelers is well known for its support of community and non-profit organizations, and each year Travelers employees provide thousands of volunteer hours across our neighborhoods.

For more information, visit [www.travelers.com](http://www.travelers.com).

# FUNDRAISING PROGRAMS

The Travelers Championship proudly supports the PGA TOUR's charitable initiative by donating 100% of net proceeds to charity. Since 1952, the tournament has generated more than \$32 million for charity. Birdies for Charity and Chip In for Charity have been two integral components of the money generated for charity each year.

## BIRDIES FOR CHARITY

Birdies for Charity presented by CohnReznick LLP is an opportunity for non-profit organizations to solicit pledges based on the number of birdies made during tournament week at the Travelers Championship. The program gives you the opportunity to turn birdies into money for the charity of your choice. Each organization that raises money through the Birdies for Charity program will receive a 15% bonus on top of the pledges collected. For example, an organization that raises \$2,000 will receive \$2,300.

[www.travelerschampionship.com/birdies-for-charity](http://www.travelerschampionship.com/birdies-for-charity)

## CHIP IN FOR CHARITY

The Chip In for Charity program allows an individual or group to sell general admission tickets to the 2015 Travelers Championship for \$20, a discount of \$22, with 50% of the profits to be donated to the charity of choice. Ticket buyers obtain a discounted ticket and the organization raises \$10 per ticket sold – it's a win-win for everyone.

# CHARITY OF THE YEAR

## THE HOLE IN THE WALL GANG CAMP NAMED 2014 PGA TOUR CHARITY OF THE YEAR

The Hole in the Wall Gang Camp, a Connecticut-based beneficiary of the Travelers Championship, has been named the 2014 PGA TOUR Charity of the Year.

The Hole in the Wall Gang Camp is dedicated to providing "a different kind of healing" to seriously ill children and their families throughout the Northeast, free of charge. It's a community that celebrates the fun, friendship and spirit of childhood where every kid can "raise a little hell."

"We are deeply honored to be recognized as Charity of the Year by the PGA TOUR, a sports organization that shares with our founder Paul Newman a distinctive and longstanding commitment to charities," said James Canton, Chief Executive Officer of The Hole in the Wall Gang Camp. "What makes this honor all the more meaningful is the Camp's enduring friendship with the Travelers Championship and its title sponsor Travelers, who stand in unwavering solidarity with our brave children and their families."

The award comes with a \$30,000 grant from the PGA TOUR to help The Hole in the Wall Gang Camp provide this unique healing experience to kids coping with cancer, sickle cell disease, hemophilia and other serious illnesses, including those children who may not be able to come to Camp. Through a variety of year-round programs onsite at the Camp's facility in Ashford, Conn., and outreach programming in hospitals, communities and camper homes throughout its service region, The Hole in the Wall Gang Camp now provides more than 30,000 healing experiences annually.

"The impact The Hole in the Wall Gang Camp has on the children it serves can only be described as magical. At Travelers, we are continually inspired by the dedicated staff, volunteers and campers who see beyond the limitations of illness to achieve great things," said Travelers Executive Vice President and Chief Administrative Officer Andy Bessette. "We're pleased that one of the charities that is important to us has received this recognition from the PGA TOUR and hope others will be inspired by what Paul Newman created and help to carry the torch into the future."

"We feel very fortunate to be able to support Camp and its mission," said Travelers Championship Tournament Director Nathan Grube. "You only need to meet one camper or one parent whose lives have been transformed by their experience at camp and you feel privileged to be able to support their mission."

Together, anything's possible.

# TOURNAMENT DIRECTOR

## NATHAN GRUBE

Nathan has been the Executive Director of the Greater Hartford Community Foundation, Inc. and the Tournament Director of the Travelers Championship, Connecticut's PGA TOUR event, for 11 years. During this time, the tournament has generated more than \$8 million for charity and has been awarded the PGA TOUR's Best Title Sponsor Integration and Most Fan Friendly Event in 2010 and 2012 and Best Charity Integration in 2013. He is also a Class 'A' member of the PGA of America and an active member of the Connecticut Section of the PGA.

After graduating from Auburn University in 1996 with a degree in Mass Communications, Nathan worked for the Robert Trent Jones Golf Trail Academy of Golf as an instructor through 2001. During this time, he also played professional golf on various tours throughout the Southeast. He then went to work for the Bruno Event Team from 2001-2004 where he was the Executive Director of The First Tee of Greater Birmingham and also worked on all four major professional golf tours in the United States. He worked on the Champions TOUR, LPGA TOUR, Web.com TOUR and PGA TOUR, including serving as Tournament Director for the Southern Farm Bureau Classic.

Nathan resides in West Hartford, Conn., with his wife, Carmen, and their two children.

# CHARITY HONORARY CO-CHAIRS

New this year, we are excited to have Charity Honorary Co-Chairs. These four exceptional young individuals have demonstrated outstanding leadership and innovation on a volunteer basis to help charitable organizations grow financially or enhance their reputation and awareness.

## BEN GOLDMAN

### BEN GOLDMAN'S CHARITY CORNER

In 2012, while still in high school, Ben Goldman of Wethersfield, Connecticut, launched his own TV program on FOX-CT, "Ben Goldman's Charity Corner," to report on charity events and organizations around Connecticut. It all began at age 8 when he was diagnosed with brain cancer, and during his treatment—two years of chemotherapy—learned firsthand how charities can positively affect people's lives. Now 18 years old, Ben volunteers for Connecticut Children's Medical Center, where he received treatment, and The Hole in the Wall Gang Camp, in which he participated as a camper, and serves on the Advisory Board of Hartford's Camp Courant, while attending the University of Connecticut in pursuit of a career in broadcasting.

## MACKENZIE PAGE

### THE GREAT PUMPKIN CHALLENGE

When then 8th grader Mackenzie Page learned about her friend Zoe's brain cancer diagnosis, she wanted to do something that would help her and other children facing difficult medical challenges. So she created The Great Pumpkin Challenge to inspire her community to get involved and help raise money to support Zoe and others like her. Now 17 years old, she's raised nearly \$10,000 for The Hole in the Wall Gang Camp, where Zoe is a camper.

The Great Pumpkin Challenge invites the community to bring carved pumpkins to Mackenzie's home in Newtown, Connecticut, along with a \$5 donation. The pumpkins are then displayed for all to see on Halloween. This past year, she collected 93 pumpkins and raised more than \$3,000 for Camp.

In support of the event, Mackenzie maintains a Facebook page and website, and actively pursues media opportunities with her local paper. She also has secured sponsorships from local businesses. Her generous spirit has even inspired a new program at Hole in the Wall – Kids for Camp – which encourages other youth to follow her lead and actively incorporate philanthropy into their lives.

## CHARITY HONORARY CO-CHAIRS

### CHASE SKRUBIS

#### KLUBS FOR KIDS

Fifteen-year-old Chase Skrubis of Granby, Connecticut, has been a participant with The First Tee of Connecticut for seven years. In 2010 Chase started the "Klubs for Kids" program through which he refurbishes sets of clubs for young people. With the support of local individuals and golf shops who donate clubs and through the generosity of Golf Pride, who annually donates several hundred grips, more than 85 full sets of clubs have been refurbished and donated through this program. This year Chase initiated the "Klubs for Kids" Scholarship program, where he accepts donations for the sets of clubs he puts together and then donates 100% of the funds to The First Tee of Connecticut to provide additional scholarship opportunities for their programs. Last summer Chase presented The First Tee with a check for \$250, which is quite an accomplishment for the first year of his initiative. In March he attended The Outstanding Participant Leadership Summit in Dallas with The First Tee, and he participates in the prestigious Sankaty Head Caddie Camp in Nantucket during the summer.

### BRITTANY VOSE

#### THE LUSTGARTEN FOUNDATION 18-HOLE STROLL

When Brittany Vose was an eighth grader, she raised \$20,000 for pancreatic cancer research. Vose's father John was diagnosed with pancreatic cancer on Aug. 17, 2000, nine days after Brittany's fifth birthday. He was gone three weeks later at age 44. She started raising money for research against the deadly cancer, which has an 8 percent survival rate, with an annual Cromwell 18-Hole Stroll at the Travelers Championship. For \$50, participants can walk around the course at 7:30 a.m. before play starts for the final round of competition, get breakfast and a ticket to the tournament, and participate in a silent auction. Vose, who lives next to the course in Cromwell, has raised more than \$100,000 for the Lustgarten Foundation of New York, which funds pancreatic cancer research. She currently attends High Point University in North Carolina.

# PRACTICE FACILITY

In June 2008, a 23-acre, state-of-the-art practice facility opened at TPC River Highlands, receiving rave reviews from players and fans. The practice facility at TPC River Highlands is the second largest on the PGA TOUR.

"A practice facility is extremely important to the TOUR players. Preparation leads to success. We want a facility that is going to allow us to play our best and provide the best idea of what we see on the golf course. From what I see, that is exactly what this facility provides."

- HUNTER MAHAN, 2007 CHAMPION

## QUICK STATS

Overall Acreage	23 acres
Driving Range	360 yards
Tees	110,000 square feet
Putting Green	11,000 square feet
Chipping Area	13,000 square feet

## The First Tee of Connecticut Learning Complex

The Practice Facility is adjacent to The First Tee of Connecticut Learning Complex, which comprises the Krapek Family Learning Links, a 4-hole short course with putting green, and the David & Geri Epstein Learning Center, a 7,500 square foot facility housing year-round youth programs, special events, The First Tee of Connecticut offices and the History of the PGA Tour in Connecticut interactive exhibit.

The First Tee of Connecticut serves more than 67,000 young people each year across the state, with the goal of impacting their lives by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

# TPC RIVER HIGHLANDS

STROKE AVERAGES AND RANK ARE FROM THE 2014 TRAVELERS CHAMPIONSHIP  
IN ORDER OF MOST DIFFICULT TO EASIEST.

## HOLE #1

**434 Yards**      **Par 4**      **Stroke Average: 3.903**      **Rank: 12**

Finding the fairway on the opening hole at TPC River Highlands is a must. With a good tee shot, players are left with an uphill second shot to a green that slopes from back to front. The contours of the green allow players to be aggressive with their birdie putts.

## HOLE #2

**341 Yards**      **Par 4**      **Stroke Average: 3.875**      **Rank: 15**

Players are presented with options on this short par 4. Challenging the hole with a driver presents a risk vs. reward opportunity. If a player pulls off a good tee shot, birdie is a good possibility. Make a mistake, however, and a player will be fighting for bogey.

## HOLE #3

**431 Yards**      **Par 4**      **Stroke Average: 3.933**      **Rank: 10**

A drive down the right side of the fairway is ideal on this hole. Players should avoid the fairway bunkers on the left, as they will pose a problem with reaching the green in two shots. Players are left with a mid-iron approach to one of the largest greens on the golf course.

## HOLE #4

**481 Yards**      **Par 4**      **Stroke Average: 4.246**      **Rank: 1**

Playing as the longest par 4 in the Travelers Championship, hole No. 4 at TPC River Highlands can be very challenging. Stretching out to 481 yards, it requires two great golf shots to safely reach the green. Par is a very good score on this hole.

## HOLE #5

**223 Yards**      **Par 3**      **Stroke Average: 3.123**      **Rank: 4**

Players are tested once again when they reach No. 5. This long par 3 requires a long iron, hybrid, or fairway wood to find the green. Long putts are common on this large green and navigating them properly will determine what kind of score the player will take.

## HOLE #6

**574 Yards**      **Par 5**      **Stroke Average: 4.681**      **Rank: 18**

Players have a great scoring opportunity on this dogleg right par 5. Only the longest hitters can reach this green in two shots, however a good wedge shot from inside 100 yards can make birdie a real possibility. Hole No. 6 has 12 bunkers, the most bunkers of any hole at TPC River Highlands.

## HOLE #7

**443 Yards**      **Par 4**      **Stroke Average: 4.114**      **Rank: 5**

This straightforward par 4 requires a good tee shot that avoids the collection of large fairway bunkers down the right side. A well placed tee shot leaves a mid iron approach to an accessible green.

## HOLE #8

**202 Yards**      **Par 3**      **Stroke Average: 3.115**      **Rank: 2**

Judging the wind correctly is extremely important on this picturesque par 3. The towering trees that surround the hole hinder the player's ability to calculate wind strength and direction. Trust in their club selection will be critical in order to play this hole well.

## HOLE #9

**406 Yards**      **Par 4**      **Stroke Average: 3.886**      **Rank: 13**

This sharp dogleg right par 4 is all about position. From the fairway, players are able to attack the pin with a short iron. Spectators can expect to see many birdies here as players prepare to make the turn to the back nine.

# TPC RIVER HIGHLANDS

## HOLE #10

**462 Yards**      **Par 4**      **Stroke Average: 4.151**      **Rank: 3**

Hole No. 10 plays as a narrow par 4 that requires a long, straight tee shot that avoids the large oak tree on the left side of the fairway. From there, a downhill approach shot leads to a long, narrow green that slopes from front to back.

## HOLE #11

**158 Yards**      **Par 3**      **Stroke Average: 2.886**      **Rank: 13**

Take one club less on this downhill par 3. A deep bunker guards the front right part of the green. Professionals will hope to be inside 15 feet on this hole with a putt at birdie.

## HOLE #12

**411 Yards**      **Par 4**      **Stroke Average: 3.929**      **Rank: 11**

With the Connecticut River on the left and tall grass on the right, an accurate tee shot is essential on this undulating par 4. Too long off the tee, leaves the player a downhill lie. The elevated green can be treacherous with many severe breaks.

## HOLE #13

**523 Yards**      **Par 5**      **Stroke Average: 4.722**      **Rank: 17**

At 523 yards, most professionals in the Travelers Championship will be able to reach this par 5 in two shots. Accuracy is required, with water to the right and out of bounds to the left off the tee, and water in front of the green with out of bounds lurking left. Players who don't go for the green in two will have to lay up on the right-hand side of the fairway.

## HOLE #14

**421 Yards**      **Par 4**      **Stroke Average: 3.950**      **Rank: 9**

Players face a blind tee shot at this dogleg left par 4. With a drive down the right side, players are left with a downhill second shot allowing them to look right down at the flagstick and take aim.

## HOLE #15

**296 Yards**      **Par 4**      **Stroke Average: 3.819**      **Rank: 16**

One of the most exciting holes on the PGA TOUR, the 296-yard, hole No. 15 at TPC River Highlands forces players to make good decisions. There is water to the left and sand to the right. Anywhere from a 2 to 6 can be recorded on a player's scorecard when walking off this green.

## HOLE #16

**171 Yards**      **Par 3**      **Stroke Average: 3.088**      **Rank: 8**

This scenic par 3 requires a well struck mid iron to clear the forced carry over water and stop the ball on the narrow green. The green has a lot of slope in it and pin locations can be difficult.

## HOLE #17

**420 Yards**      **Par 4**      **Stroke Average: 4.112**      **Rank: T6**

Intimidation takes on a new meaning when standing on the tee box at No. 17. Players must fit their shot between the large lake that covers the entire right side and the difficult fairway bunker on the left. A good drive is just the first part to leaving this hole with a par. The approach shot will cover the water the entire way, and with any wind, club selection is of most importance. Crowds are huge on this hole because they know it can be the breaking point in the tournament.

## HOLE #18

**444 Yards**      **Par 4**      **Stroke Average: 4.112**      **Rank: T6**

An absolute perfect finishing hole that allows players to make birdie if they play the hole well. At 444 yards, a good drive leaves a mid to short iron approach to a green surrounded by spectators.

# THE UMBRELLA AT 15½

During the practice round on Tuesday, PGA TOUR professionals and caddies are given a chance to hit at the famous Travelers floating umbrella. The hole is known as The Umbrella at 15½, which is located between the 15th and 16th holes at TPC River Highlands. The hole is 71 yards long and the target is a 40-foot umbrella. The players are given one attempt at the umbrella, with the winner receiving \$10,000 to the charity of their choice.

In 2014, only 15 of the 94 players who competed were able to land the ball on the umbrella. Richard H. Lee took the title with a shot that landed 1¼" from the pin.

Lee donated his winnings to Newborns in Need, a charity dedicated to making sure that mothers and families are supported in the first moments of a child's life. The "911" for babies, the organization is mobilized across the United States to offer baby items to those families who need help.

# CONNECTICUT SECTION PGA

Every year, the Connecticut Section PGA awards an exemption into the Travelers Championship for one of its members. Over the years, the criteria for the exemption have

changed. Currently, the winner of the Spring Stroke Play Championship in May earns an exemption into this year's Travelers Championship. Below is a list of how the exemption has been allocated and how the player has fared in the tournament.

The last person affiliated with the Connecticut Section PGA to make the cut was Tom Sullivan in 1995. At the time, Sullivan was a PGA Apprentice in the Connecticut Section working toward his Class A membership. Sullivan did not qualify for the tournament through a section exemption, but rather, through Monday Open qualifying. Sullivan went on to shoot 69-71-74-77-291 to finish in 77th place. The last Connecticut Section PGA professional who earned an exemption and made the cut that year was Doug Dalziel in 1981.

## HISTORY IN CONNECTICUT

Kevin Streelman had always played well at the Travelers Championship before his victory in 2014. In six previous trips to TPC River Highlands, Streelman made the cut five times with two top 10 finishes. Coming into the 2014 Travelers Championship, Streelman was hoping to build on his past success in Connecticut.

After up and down rounds of 69 and 68 on Thursday and Friday, Streelman was inside the cut number but needed to make a move on Saturday in order to get back in contention. Streelman shot 6-under-par 64 to move up the leaderboard heading into the final round.

Entering the final round, Streelman was one of 13 players within four shots of the leader. Streelman bogeyed the second and seventh, but finished with a birdie on the ninth to go out in 1-over-par 36. As he stood on the 10th tee box, he was in 20th place, now five strokes back of the leader at the time.

Streelman never panicked as he always felt that he could make some birdies on the back nine at TPC River Highlands. He told his caddy that he was going to need to shoot 29 on the back nine to "make some noise." After scrambling for par on 10 and 11, Streelman began his birdie binge at number 12. He then continued to birdie his final seven holes to win the 2014 Travelers Championship.

# TRAVELERS CHAMPIONSHIP

## PGA TOUR Media Regulations

# PGA TOUR MEDIA REGULATIONS

## GENERAL REGULATIONS

The following regulations are to be followed by all members of the media:

1. PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Web.com Tour.
2. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefore to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefore may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information for editorial product; further provided, however, the foregoing exception shall not apply to video other than video comprised solely of an Authorized Outlet employee/contractor providing commentary or analysis.
3. Each credential authorizes the holder of such credential and the Authorized Outlet therefore to use the trademark of the PGA TOUR, Champions Tour or Web.com Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
4. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
5. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
6. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
7. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
8. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

## WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day – and others requested – will be interviewed following their rounds in the Press Room interview area.

## TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:

# PGA TOUR MEDIA REGULATIONS

- Audio recorded interviews are intended to be one-on-one and not group interviews.
- Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
- The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
- The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
- PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
- Use of audio recorded interviews must be limited to the person being interviewed.

3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

## WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.

2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and, except as outlined above, tape recorders are not permitted in the locker room.)

The credentialed entity and the Authorized Outlet therefore, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

The terms and conditions of the PGA TOUR Media Regulations are limited to those contained herein. Any additional or different terms or conditions in any form delivered by the credentialed entity or Authorized Outlet are hereby deemed to be material alterations and notice of objection to them and rejection of them is hereby given. The credentialed entity acknowledges and agrees that photographic images of PGA TOUR sanctioned tournaments are available for use outside the scope of these regulations (e.g., commercial, promotional, etc.) from the Official Photographic Services Provider of the PGA TOUR, Champions Tour and Web.com Tour (currently, Getty Images), subject to the applicable rate card and course and player approvals.

**PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.**

## TV COVERAGE REGULATIONS

All television media are permitted to broadcast highlights coverage of such events only under the following conditions unless otherwise approved in writing by PGA TOUR:

# PGA TOUR MEDIA REGULATIONS

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefore to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefore may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product.

2. Each credential authorizes the holder of such credential and the Authorized Outlet therefore to use the trademark of the PGA TOUR, Champions Tour or Web.com Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

3. Televised coverage shall not be in excess of three minutes of highlights daily from each Tour (and six minutes total for all three Tours) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.

4. All highlights coverage must be part of regularly scheduled news programs. Highlights may not be sold, distributed, syndicated or provided in any manner to any other entity.

5. Highlights from any day's play may not be broadcast or used for any other purpose after 48 hours from the conclusion of the applicable tournament.

6. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.

7. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.

8. No footage may be used in any commercial manner or sold, distributed, syndicated or provided to any other entity or agency.

9. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot at PGA TOUR, Champions Tour and Web.com Tour events. Such footage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).

10. The use of golf carts is prohibited at all times.

11. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.

12. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.

13. All uses of footage hereunder shall be made with a courtesy credit to PGA TOUR.

The credentialed entity and the Authorized Outlet therefore, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

# PGA TOUR MEDIA REGULATIONS

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

**PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.**

## PHOTOGRAPHY REGULATIONS

Photo credentials will be issued only to photographers on assignment from recognized and accredited publications, news services and other organizations approved in advance by the PGA TOUR. Requests for photo credentials must be made by the appropriate Authorized Outlet (i.e., publisher, news agency or organization) and not by the photographer. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media. Photographic images of PGA TOUR, Champions Tour and Web.com Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play, nor may photos be sequenced in such a way as to approximate video. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. No sponsorship or advertising may be used in a manner that implies any association between any advertiser and the PGA TOUR and/or a PGA TOUR, Champions Tour or Web.com Tour player. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case-by-case basis. Where appropriate, the Authorized Outlet shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries shall be limited to a reasonable number of PGA TOUR photos.

Credentialed photographers will receive one of two types of photo credentials. A limited number of inside the ropes photo credentials will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographers who do not have an inside the ropes photo credential must stay outside the gallery ropes but are still required to check in with the on site PGA TOUR Media Official to receive the proper outside the ropes photo credential. Photographic assistants will not be issued photo credentials of any type.

Professional grade cameras and lenses must be used and may be used only by accredited media representatives who have been issued photo credentials, and such use is subject to the following conditions:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefore to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefore may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information for editorial product.
2. Each credential authorizes the holder of such credential and the

Authorized Outlet therefore to use the trademark of the PGA TOUR, Champions Tour or Web.com Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

3. Photographers with inside the ropes photo credentials must stay within one arm's length of the ropes at all times. Photographers without inside the ropes photo credentials are not permitted inside the ropes at any time.
4. Photographers are not permitted on the teeing ground, as determined by PGA TOUR.
5. The use of carts is prohibited at all times.
6. Photographers must not position themselves in the line of play. If requested to move by a player, his caddie or an official, the photographer will do so without delay or discussion.
7. No photograph shall be taken until a player has completed his stroke.
8. Players should not be asked to pose during a round.
9. Noise-free equipment must be used at all times.
10. Cameras are not permitted in the scoring tent or in the locker rooms.
11. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

The credentialed entity and the Authorized Outlet therefore including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorneys fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity or the use of any photographs other than as set forth in these Photography Regulations.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

## RADIO REGULATIONS

PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Web.com Tour. No live or tape-delayed broadcast of any portion of any PGA TOUR, Champions Tour or Web.com Tour event is permitted without the prior written consent of PGA TOUR.

All radio media are permitted to broadcast highlights coverage of such events only under the following conditions, unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations

operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefore to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefore may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product.

2. Each credential authorizes the holder of such credential and the Authorized Outlet therefore to use the trademark of the PGA TOUR, Champions Tour or Web.com Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

3. Coverage shall not be in excess of three minutes of highlights per day and may not purport to be live, play-by-play coverage from the course.

4. All highlights coverage must be part of regularly scheduled news programs and may not be broadcast after 48 hours from the conclusion of the applicable tournament.

## **ON-LINE AND OTHER NON-TELEVISION VIDEO MEDIA SERVICES REGULATIONS**

Media credentials will be issued only to personnel on assignment from recognized golf or legitimate news Internet sites or other non-television video media services, as determined by PGA TOUR in its sole discretion. Coverage obtained in accordance with these regulations can only be used on the Authorized Outlet. Individuals representing multiple interests (such as a recognized golf magazine and an Internet site) must agree to be bound by all applicable media regulations.

PGA TOUR retains exclusive media rights (including but not limited to network, cable, Internet, home video, Internet protocol television, mobile) to all events on the PGA TOUR, Champions Tour and Web.com Tour. No audio or video coverage of the event competition is permitted without the prior written consent of PGA TOUR. All other audio and video coverage must comply with the regulations below. Scores and statistics may be distributed only in accordance with these regulations.

1. Each credential authorizes the holder of such credential and the Authorized Outlet therefore to use the trademark of the PGA TOUR, Champions Tour or Web.com Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.

2. Coverage must not purport to be live, play-by-play, hole-by-hole or real-time coverage from the course.

3. Audio and video coverage shall be limited to the press room, media center and designated interview area (including any flash photography area by the 18th green), all as determined by PGA TOUR in its sole discretion, and shall not contain video footage or audio call of tournament play. Requests for expanded coverage must be submitted in writing to PGA TOUR for PGA TOUR's prior approval.

4. Audio or video coverage from PGA TOUR designated areas shall not be in excess of two minutes per day from each Tour (and four minutes total for all three Tours).

5. Audio and video coverage shall not be made available on the Authorized Outlet until that day's live or tape-delayed coverage by the television network is concluded and shall not be used for any purpose after 24 hours following the conclusion of the applicable round. Under no circumstances shall live audio or video coverage be made available on the Internet.

6. As the exclusive rights holder, PGA TOUR is the absolute owner of all video footage shot and audio recorded at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot or audio recorded at PGA TOUR, Champions Tour and Web.com Tour events. Such footage and audio will be provided electronically to PGA TOUR immediately upon request.

7. All use of video by the Authorized Outlet must be accompanied by a link back to PGATOUR.com.

8. Scoring and statistical information may only appear in the editorial

news portion of the Authorized Outlet and may be provided no sooner than 30 minutes after the actual occurrence of the shots, or after the time such information is legally available as public information if sooner than 30 minutes after the actual occurrence of the shots. Scoring and statistical information may not be archived on the Authorized Outlet and cannot be used for any purpose after 24 hours following the conclusion of the applicable round unless such information is legally available as public information.

9. No coverage, including, without limitation, scoring information, statistical information, video coverage and audio coverage may be used by, sold, given, distributed or otherwise transferred to any party other than the Authorized Outlet in any manner whatsoever, without the prior written consent of PGA TOUR. The foregoing restriction shall not apply to the distribution of the following by established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information for editorial product: written stories, photos and audio and video comprised solely of an Authorized Outlet employee/contractor providing commentary or analysis.

10. Photographic images of PGA TOUR, Champions Tour and Web.com Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play, nor may photos be sequenced in such a way as to approximate video. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. No sponsorship or advertising may be used in a manner that implies any association between any advertiser and the PGA TOUR and/or a PGA TOUR, Champions Tour or Web.com Tour player. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case-by-case basis. Where appropriate, the Authorized Outlet shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries shall be limited to a reasonable number of PGA TOUR photos.

11. The Authorized Outlet has rights only with respect to website media and other TOUR approved non-television video media and has no rights with respect to any other media without the prior approval of the PGA TOUR.

The credentialed entity and the Authorized Outlet therefore including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases.
