BEYOND GOLF

Together, anything's possible.

The Travelers Championship is Connecticut's largest annual professional sporting event and provides the state and region with an annual economic boost of \$68.2 million. The real winners are local charitable organizations, because each year the tournament donates 100 percent of net proceeds to charity and also provides a platform for our charitable partners to raise awareness for their missions. In 2017, the tournament generated more than \$1.7 million for 165 charities. This brings the total to more than \$38 million for regional charities since 1952.

IN THE COMMUNITY

The Travelers Championship provides nonprofits the tools needed through unique fundraising programs and special events to generate funds for their organizations.

VOLUNTEER

THE HEART OF THIS EVENT

Putting on a large, week-long, world-class event takes a lot of hours and effort from volunteers. Nearly 4,000 people give their time as volunteers at the Travelers Championship, getting close to the action and behind the scenes through a number of different roles and responsibilities. The sacrifices and contributions they've made have helped turn the Travelers Championship into one of the premier events on the PGA TOUR.
