TOURNAMENT RESULTS

WELCOME FROM TRAVELERS

On behalf of everyone at Travelers, welcome and thank you for being an integral part of the 2020 Travelers Championship.

While our event looks a bit different from years past and we will certainly miss the energy of the full media crew and our fans, we are thrilled to have the opportunity to broadcast one of the first sporting events since March.

COVID-19 has presented many challenges as we planned this year's event, but those challenges pale in comparison to the human toll of the pandemic. Our thoughts are

with the families who have been affected by the virus, and our gratitude is with the health care professionals risking their lives to save the lives of others, as well as the essential workers courageously putting others first and keeping the country going.

As you know, a goal of ours is to continually enhance the Travelers Championship. Even in a year like this one, we are striving to put on the best tournament possible. Our objective with a TV-only event is to have TPC River Highlands become part of everyone's home for a weekend and represent the best Connecticut has to offer while providing players with our award-winning hospitality and an unforgettable experience.

United as passionate fans, watching from home in more than 200 countries, the world will see many of the PGA TOUR's biggest stars compete, including Rory McIlroy, Brooks Koepka, Justin Thomas, Dustin Johnson, Patrick Cantlay, Patrick Reed, Justin Rose, Paul Casey, Bryson DeChambeau and defending champion Chez Reavie. Bubba Watson will also be here, looking to join Billy Casper as the only other four-time winner of this tournament. With our best player field yet and so many people looking forward to the return of live sports, this year's Travelers Championship could produce the highest television ratings in the tournament's history.

The excitement of the PGA TOUR is something we all enjoy, but the primary reason we sponsor the Travelers Championship is its positive impact on the community. The Travelers Championship has generated more than \$40 million for charity since the tournament started in 1952. From the time Travelers became the title sponsor in 2007, the tournament has provided nearly \$20 million to more than 750 local charities, including more than \$2.1 million to about 150 organizations in 2019.

This year, we will continue that tradition of generating funds for worthy causes. And thanks to the generous support from so many corporate sponsors, we expect that more than 100 nonprofits will benefit from the 2020 Travelers Championship, including organizations dedicated to COVID-19 relief efforts and advancing racial equality.

We appreciate everything you do to tell the full story of the Travelers Championship, from the golf action to the great nonprofits that benefit. Your work brings the tournament to life, and in a year when fans are not allowed on course, that work is more vital than ever before. Thank you for making a difference in such difficult times.

As always, please let us know if there is anything we can do to support you in bringing the Travelers Championship to millions of fans around the world. Stay healthy and safe.

Sincerely,

Alan Schnitzer Chairman &

Chief Executive Officer

WELCOME FROM GOVERNOR LAMONT

Dear Media Friends,

On behalf of the State of Connecticut, thank you for supporting the 2020 Travelers Championship. This has been a year unlike any other, and I hope that you, your families and friends are in good health and good spirits. Because of the challenges brought on by the COVID-19 pandemic, most of us won't be at TPC River Highlands for the competition this year. Last year I watched one round from inside the ropes, but this year, I'll be watching from home, like everyone else.

Connecticut has been fortunate to host a PGA TOUR event every year since 1952, and through that affiliation we've been able to witness some incredible moments, both on the golf course and off.

This week, the world's greatest golfers will compete on a beautiful, challenging course at TPC River Highlands. Thousands of the game's best fans might be missing on-site this year, but since the tournament will be broadcast to more than 200 countries, the world will be watching, putting the beauty and possibilities of Connecticut on display for all to see.

Charities and our community continue to be the big winners. The Travelers Championship has generously donated to hundreds of deserving organizations over the years, and the tournament provides an economic boost to the state. We appreciate all the good that comes from this event.

This event is much more than a golf tournament. The Travelers Championship shows off the very best of Connecticut and is one of the most special events our state stages each year.

It takes a lot of time, effort and resources from a large group of people to make this one of the best stops on the PGA TOUR, and this year is no exception. Without the teams from Travelers, the Travelers Championship and TPC River Highlands, without the contributions of volunteers, medical personnel and first responders, without the support of corporate sponsors, the PGA TOUR, professional golfers and the media, this tournament wouldn't be successful. But it is successful, in a big, meaningful way.

So, thank you. Your continued support allows the tournament to grow. Enjoy the golf, and stay safe.

Sincerely,

Ned Lamont Governor

State of Connecticut

WELCOME FROM TOURNAMENT DIRECTOR

Dear Media Friends,

On behalf of the tournament staff, thank you for your continued support and for your interest in covering the 2020 Travelers Championship.

It pains us that we won't all be together for this year's competition, but these have been trying times for everyone, with new rules and regulations established in response to the COVID-19 pandemic. The health and safety of anyone who comes to TPC River Highlands has been, and will always be, our top priority.

We're excited to be hosting one of the first sporting events since mid-March, especially with the player field we have coming to Connecticut. We'll certainly be missing our passionate fans, many of our volunteers and many members of the media, but we're looking forward to seeing the event unfold on television and are committed to making it the best it can be for those watching from home.

Even in this new format, much of the tournament will look the same. The TPC River Highlands staff once again has the course in excellent condition. The final few holes on Sunday should provide that final-round drama and excitement we've come to expect at the Travelers Championship. And perhaps most importantly, local charities will be the focus.

Since the first Insurance City Open in 1952, more than \$42 million has been generated by this PGA TOUR event for local charities. We've been fortunate to partner with hundreds of nonprofit organizations that depend on the tournament for needed resources. This year, in addition to the tournament's usual charitable partners, organizations dedicated to COVID-19 relief efforts will also benefit from the event. We'll be honoring a number of workers in the healthcare industry whose mission is to provide the best care to their patients; caddie bibs will feature names of healthcare professionals from around the region. We are also creating a partnership with a local organization dedicated to driving meaningful social change in our country.

Thanks to the generosity of the tournament's corporate sponsors, we'll be able to continue that tradition of giving back. And thanks to the contributions from so many – the PGA TOUR, its players, our corporate partners, volunteers, staff and dedicated fans – we'll do our best to make the 2020 Travelers Championship an unforgettable experience for everyone watching.

Please take advantage of the Virtual Media Center that has been created by the PGA TOUR to help with your coverage needs. If there is anything the tournament staff can do to assist, kindly let us know. Thank you for all the amazing work you do in bringing the stories of the Travelers Championship to your readers, viewers and listeners. We don't have this without you.

Stay safe and healthy.

Sincerely,

Nathan Grube Tournament Director

CHARITABLE FOCUS

Raising money for charity is the most important aspect of the Travelers Championship, and thanks to the tournament's corporate sponsors, including Travelers, the event will be able to generate significant funds for worthy causes throughout the region. In addition to the tournament's usual charitable partners, including The Hole in the Wall Gang Camp, the tournament will help support 4-CT, an independent nonprofit organization that funds statewide COVID-19 relief efforts, such as food banks and child care for health care and essential workers.

This year, we are also working with the Hartford Foundation for Public Giving on a program that will foster positive relationships between frontline police officers and members of the Black community as well as other communities of color. This initiative will introduce new approaches to a variety of situations that arise in the field and provide officers with strategies for de-escalation while integrating restorative justice methods. We look forward to making a formal introduction of the program in the coming weeks.

Fans interested in contributing to tournament charities can do so by visiting www.TravelersChampionship.com.

FUNDRAISING PROGRAM

The Travelers Championship proudly supports the PGA TOUR's charitable initiative by donating 100% of net proceeds to charity. Since 1952, the tournament has generated more than \$42 million for charity. Birdies for Charity has been an integral component of the money generated for charity each year.

BIRDIES FOR CHARITY

Birdies for Charity is a giving platform that utilizes the excitement around the Travelers Championship to help nonprofits in communities across the region raise awareness and funds to support their missions. Nonprofit organizations simply solicit donations and receive a 15% bonus on every dollar raised!

TPC RIVER HIGHLANDS

Stroke averages and rank are from the 2019 Travelers Championship in order of most difficult to easiest.

HOLE #1

434 Yards Par 4 Stroke Average: 3.95 Rank: 10

Finding the fairway on the opening hole at TPC River Highlands is a must. With a good tee shot, players are left with an uphill second shot to a green that slopes from back to front. The contours of the green allow players to be aggressive with their birdie putts.

Hole #2

341 Yards Par 4 Stroke Average: 3.856 Rank: 16

Players are presented with options on this short par 4. Challenging the hole with a driver presents a risk vs. reward opportunity. If a player pulls off a good tee shot, birdie is a good possibility. Make a mistake, however, and a player will be fighting for bogey.

Hole #3

431 Yards Par 4 Stroke Average: 3.918 Rank: 13

A drive down the right side of the fairway is ideal on this hole. Players should avoid the fairway bunkers, as they will pose a problem with reaching the green in two shots. Players are left with a mid-iron approach to one of the largest greens on the golf course.

HOLE #4

481 Yards Par 4 Stroke Average: 4.151 Rank: 3

Playing as the longest par 4 in the Travelers Championship, hole No. 4 at TPC River Highlands can be very challenging. Stretching out to 481 yards, it requires two great golf shots to safely reach the green. Par is a very good score on this hole.

HOLE #5

223 Yards Par 3 Stroke Average: 3.108 Rank: 5

Players are tested once again when they reach No. 5. This long par 3 requires a long iron, hybrid, or fairway wood to find the green. Long putts are common on this large green and navigating them properly will determine what kind of score the player will take.

Hole #6

574 Yards Par 5 Stroke Average: 4.64 Rank: 18

Players have a great scoring opportunity on this dogleg right par 5. Only the longest hitters can reach this green in two shots, however a good wedge shot from inside 100 yards can make birdie a real possibility.

HOLE #7

443 Yards Par 4 Stroke Average: 4.106 Rank: 6

This straightforward par 4 requires a good tee shot that avoids the collection of large fairway bunkers down the right side. A well-placed tee shot leaves a mid-iron approach to the green.

HOLE #8

202 Yards Par 3 Stroke Average: 3.086 Rank: 7

Judging the wind correctly is extremely important on this picturesque par 3. The trees that border the left side of the hole hinder the player's ability to calculate wind strength and direction. Trust in their club selection will be critical in order to play this hole well.

HOLE #9

406 Yards Par 4 Stroke Average: 3.907 Rank: 14

This sharp dogleg right par 4 is all about position. From the fairway, players are able to attack the pin with a short iron. Spectators can expect to see many birdies here as players prepare to make the turn to the back nine.

TPC RIVER HIGHLANDS

HOLE #10

462 Yards Par 4 Stroke Average: 4.166 Rank: 2

Hole No. 10 plays as a narrow par 4 that requires a long, straight tee shot that avoids the large oak tree on the left side of the fairway. From there, a downhill approach shot leads to a long, narrow green that slopes from front to back.

HOLE #11

158 Yards Par 3 Stroke Average: 2.935 Rank: 12

Take one club less on this downhill par 3. A deep bunker guards the front right part of the green. Professionals will hope to be inside 15 feet on this hole with a putt at birdie.

HOLE #12

411 Yards Par 4 Stroke Average: 4.037 Rank: 8

With the Connecticut River on the left and tall grass on the right, an accurate tee shot is essential on this undulating par 4. Too long off the tee leaves the player a downhill lie. The elevated green can be treacherous with many severe breaks.

HOLE #13

523 Yards Par 5 Stroke Average: 4.726 Rank: 17

At 523 yards, most professionals in the Travelers Championship will be able to reach this par 5 in two shots. Accuracy is required, with water to the right and out of bounds to the left off the tee, and water in front of the green with out of bounds lurking left. Players who don't go for the green in two will have to lay up on the right-hand side of the fairway.

HOLE #14

421 Yards Par 4 Stroke Average: 3.948 Rank: 11

Players face a blind tee shot at this dogleg left par 4. With a drive down the right side, players are left with a downhill second shot allowing them to look right down at the flagstick and take aim.

HOLE #15

296 Yards Par 4 Stroke Average: 3.875 Rank: 15

One of the most exciting holes on the PGA TOUR, the 296-yard hole No. 15 at TPC River Highlands forces players to make good decisions. There is water to the left and sand to the right. Anywhere from a 2 to 6 can be recorded on a player's scorecard when walking off this green.

HOLE #16

171 Yards Par 3 Stroke Average: 3.013 Rank: 9

This scenic par 3 requires a well-struck mid iron to clear the forced carry over water and stop the ball on the narrow green. The green has a lot of slope in it and pin locations can be difficult.

HOLE #17

420 Yards Par 4 Stroke Average: 4.183 Rank: 1

Intimidation takes on a new meaning when standing on the tee box at No. 17. Players must fit their shot between the large lake that covers the entire right side and the difficult fairway bunkers on the left. A good drive is just the first part to leaving this hole with a par. The approach shot will cover the water the entire way, and with any wind, club selection is of most importance. Crowds are huge on this hole because they know it can be the deciding point in the tournament.

HOLE #18

444 Yards Par 4 Stroke Average: 4.119 Rank: 4

An absolute perfect finishing hole that allows players to make birdie if they play the hole well. At 444 yards, a good drive leaves a mid- to short-iron approach to a green surrounded by spectators.

TOURNAMENT PLAYOFFS

2017

Jordan Spieth began the final round with a one stroke lead at 12-under par. During Sunday's round, Spieth shot an even par 70 to force him into a sudden death playoff with Daniel Berger, who shot a 3-under 67. With both Spieth and Berger finishing 12-under par at 268, the sudden death playoff took place on the par-4 18th. On the first playoff hole, Spieth landed his second shot into the front right greenside bunker. Spieth's next shot was holed out from the bunker for a birdie. Berger was unable to sink a long birdie putt to tie, giving Spieth the victory and claiming his 10th PGA TOUR win.

2015

Bubba Watson had been near the top of the leaderboard for most of the week since he opened with a round of 62 on Thursday, his best at TPC River Highlands. After a bogey on the 17th hole in regulation, Watson made par on the 18th to force a playoff with Paul Casey. After both made par on No. 18, the first playoff hole, they both went back to the tee to play the closing hole for the third time on Sunday. Watson put the pressure on Casey by sticking his approach shot close and then finished strong with a birdie in the evening hours in Cromwell. This was Watson's second victory at the Travelers Championship and eighth overall PGA TOUR victory.

2013

Chris Stroud holed out from 50'7" on the 72nd hole to force a playoff with clubhouse leader Ken Duke. After matching pars on the 18th, their first playoff hole, both players drove it in the fairway as they played the 18th a second time. Stroud put his ball on the left side of the green while Duke hit his approach to 3 feet. After Stroud two-putted for his par, Duke converted his birdie putt to win his first TOUR event in his 187th start.

2010

Bubba Watson nearly holed out from the fairway on his second shot into No. 18 during the first playoff hole, as the ball finished one inch from the cup. His tap-in birdie was matched by Scott Verplank, while Corey Pavin was eliminated with a par. The second playoff hole was moved to the par-3 hole No. 16 where Verplank failed to make par from behind the green and Watson made a two-putt par to earn his first career PGA TOUR victory.

2007

Hunter Mahan overcame bogeys on Nos. 16 and 17 with a birdie-3 on the 72nd hole to post a 65 and force a playoff with Jay Williamson. Mahan knocked his 134-yard approach on the first playoff hole to 2 feet and converted birdie while Williamson failed to convert a 7-foot birdie putt.

2005

Brad Faxon came from 7-back to force a playoff with Tjaart van der Walt. Faxon birdied the first hole of the sudden death playoff to win.

2004

Woody Austin calmly made a 6-foot birdie putt on the first playoff hole to beat Tim Herron.

1998

Olin Browne defeated Larry Mize and 1997 champion Stewart Cink with a birdie putt on the second hole of sudden death at hole No. 18.

1991

Billy Ray Brown defeated Corey Pavin and Rick Fehr with a birdie putt on the first hole of sudden death on hole No. 16. It was Brown's first PGA TOUR victory.

1988

Mark Brooks defeated Dave Barr on the second hole of sudden death at the par 4 hole No. 17. Joey Sindelar double bogeyed hole No. 16 to fall out of contention for the championship.

1986

Mac O'Grady defeated Roger Maltbie on the first hole of sudden death at the par 3 hole No. 16. O'Grady shot a course-record 62 on the last day. It was O'Grady's first victory since winning the 1971 Mission Viejo Amateur.

1985

Rookie Phil Blackmar gained his first PGA TOUR victory when he birdied hole No. 16 to win the \$108,000 first prize over Jodie Mudd and Dan Pohl.

1980

The drama was remarkable in this six-hole sudden death playoff between Howard Twitty and Jim Simons. Twitty birdied hole No. 16 on his third time around to win the \$54,000 first place prize.

1975

Don Bies gained his first PGA TOUR victory after he and Hubert Green tied with the low score of 267 at the end of regulation play. Bies took the \$40,000 first prize with a birdie on the par 5 hole No. 16, the second playoff hole.

1972

Lee Trevino continued the tremendous pace he established in 1971 by defeating Lee Elder on the first extra hole with a birdie to win the \$25,000 first prize after both tied at 269.

1971

Three players were tied at 268 at the end of regulation play. On hole No. 15, the first extra hole, George Archer birdied to win the \$22,000 first prize over J.C. Snead and Lou Graham.

1969

Long playoffs returned to Wethersfield Country Club when Bob Lunn defeated Dave Hill on the fourth extra hole after both tied at 268.

1965

After two years of marathon sudden deaths in 1961 and 1962, things returned to normal when Billy Casper took a one-hole playoff victory worth \$11,000 over Johnny Pott, after they tied at 274 at the end of regulation play.

1962

For the second year in a row, the Insurance City Open had seven holes of sudden death with Bob Goalby birdieing to defeat Art Wall, Jr. after they deadlocked at 271 during regulation play.

1961

After winning the first Insurance City Open in 1952, victory eluded Ted Kroll in 1961, when he lost to Billy Maxwell on the seventh hole of a sudden death playoff. Both had tied in regulation at 271.

1960

Arnold Palmer continued his winning ways at Wethersfield Country Club by coming from five shots behind in the last round to tie Jack Fleck and Bill Collins at 270. Collins dropped out with a par on the first hole. After halving the second hole with pars, Palmer closed it out with a birdie on the third extra hole.

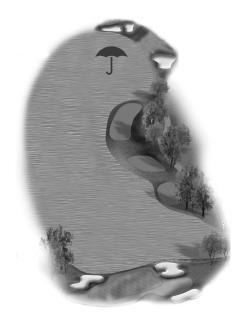

1956

Arnold Palmer's first professional victory in the United States came via the playoff route when he birdied the first two extra holes to defeat Ted Kroll after they had tied at 274. Palmer used a putter that Kroll had loaned him at the start of the tournament.

1954

Connecticut's PGA TOUR event's first playoff came in the third year of the tournament when Tommy Bolt defeated Earl Stewart, Jr. after they had tied at 271.

THE UMBRELLA AT 151/2

During the practice round on Tuesday, PGA TOUR professionals and caddies are given a chance to hit at the famous Travelers floating umbrella. The hole is known as The Umbrella at 15½, which is located between the 15th and 16th holes at TPC River Highlands. The hole is 85 yards long and the target is a 40-foot umbrella. The players are given one attempt at the umbrella, with the closest to the pin winner receiving \$10,000 to the charity of their choice.

In 2019, Michael Kim won The Umbrella at 15 $\frac{1}{2}$ Challenge with a shot that finished 7 inches from the hole at the floating red green. Travelers donated \$10,000 to Kim's designated charities, with the money split evenly between the Windy Hill Foundation and the Zach Johnson Foundation.

CONNECTICUT SECTION PGA

Every year, the Connecticut Section PGA awards an exemption into the Travelers Championship for one of its members. However, due to the COVID-19 pandemic and the abbreviated PGA TOUR schedule, the PGA TOUR removed the exemption typically allocated to the Connecticut Section for this purpose. The spot typically allocated here will be used for a Korn Ferry TOUR graduate who earned their PGA TOUR card at the conclusion of the 2019 season. The intent is to bring this exemption back to the Connecticut Section in 2021. Below is a list of how the exemption has been allocated pre-2020 and how the

player has fared in the tournament.

The last person affiliated with the Connecticut Section PGA to make the cut was Tom Sullivan in 1995. At the time, Sullivan was a PGA Apprentice in the Connecticut Section working toward his Class A membership. Sullivan did not qualify for the tournament through a section exemption, but rather through Monday Open qualifying. Sullivan went on to shoot 69-71-74-77-291 to finish in 77th place. The last Connecticut Section PGA professional who earned an exemption and made the cut that year was Doug Dalziel in 1981.

HISTORY IN CONNECTICUT

Chez Reavie's ninth trip to TPC River Highlands turned out to be the charm, with Reavie winning the 2019 Travelers Championship by four strokes over Keegan Bradley and Zack Sucher. It was Reavie's second career PGA TOUR victory, with the first coming at the RBC Canadian Open in 2008.

In his opening round on Thursday, Reavie shot a 5-under 65, one stroke off the lead. He had a 2-under-par 33 on the front nine with birdies on Nos. 3, 6 and 7, and his lone bogey of the round at the par-4 fourth hole. Reavie sailed through the back nine, adding three more birdies

on holes 12, 15 and the par-4 18th. Six players tied for the lead at 6-under 64 after the first round of the tournament.

Reavie began his second round on the 10th hole with a birdie. He added two more birdies on his opening nine, then one on the front nine at TPC River Highlands, finishing with a bogey-free, 4-under-par 66 for the day and a two-day total of 131. He finished the second round tied for second with Bradley at 9-under, one shot behind Sucher.

Saturday saw Reavie shoot a round for the ages — and the tournament record book. It began quietly enough, with Reavie shooting even-par on the front nine after a bogey on the par-5 sixth hole and a birdie at the par-3 eighth. No one could have predicted what would come next. Starting at the par-4 10th hole, Reavie ripped off four birdies in a row to move to 13-under. After parring the 14th hole, he added another birdie on the 15th followed by a par on the 16th hole. Reavie wasn't done yet. He added birdies on the 17th and 18th holes, shooting a 63 for the day, pushing to 16-under-par for the tournament and a commanding six-shot lead heading into the final round.

Reavie's 7-under-par effort on the back nine of the third round matched the tournament's record low back-nine score of 28, last accomplished in 2014. The six-shot advantage was the largest 54-hole lead in the history of the Travelers Championship.

After Saturday's record-setting day, Sunday's final round seemed like it would be a drama-free run to the championship for Reavie. He was steady on the front nine, with a birdie at the par-4 fourth hole and a bogey on No. 8. But Bradley and Sucher, tied for second heading into Sunday's play, failed to make up significant ground, with Zucher shooting a 2-over-par 37 on the front nine and Bradley carding a 34.

The final nine holes would be much more interesting. Reavie remained steady, hitting fairways and making pars. Bradley made his move, methodically chipping away at Reavie's lead. Bradley had four birdies in a six-hole stretch, pulling within one shot of Reavie with two holes to go.

The par-4 17th would turn out to be the decisive hole of the tournament. With his lead cut to just one stroke, Reavie's PGA TOUR-leading driving accuracy was on full display as he landed his tee shot in the fairway, 151 yards from the hole. Bradley's drive found the fairway bunker, and his approach shot carried too far and went over the green, leading to a double bogey. Meanwhile, Reavie's second shot found the green and his birdie putt was perfect. Combined with Bradley's double bogey, it produced a three-shot swing on the hole and gave Reavie a four-stroke lead.

Reavie would par the 18th hole and close out the round with a 1-under 69 to finish the tournament 17-under-par, four strokes better than Bradley and Zucher.

These Media Regulations establish the terms by which a media outlet and its representatives may request, receive and use credentials to access PGA TOUR tournaments for news and editorial purposes. These Media Regulations form a binding contract between PGA TOUR, Inc. ("**PGA TOUR**"), a Media Outlet and its Credential Holders (as defined below). In consideration of receiving credentials from PGA TOUR under these Media Regulations, each Media Outlet and its Credential Holders accept and agree to these Media Regulations.

SECTION I. GENERAL TERMS

- 1. PGA TOUR Holds Exclusive Media Rights. PGA TOUR holds the exclusive right to provide media outlets and their representatives with access to Tournaments. All media rights in and to Tournaments, including rights to all forms of audio, video and photography, are held exclusively by PGA TOUR. For purposes of these Media Regulations, "Tournaments" means all sanctioned tournaments on the PGA TOUR, PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica, Mackenzie Tour PGA TOUR Canada and PGA TOUR China (the "Tours"), including the competition, practice rounds (including pro-ams), qualifiers, practice areas, hospitality areas and all surrounding events and areas at the tournament site(s) on all tournament days (typically Monday Sunday). A "Media Day" preceding the week of a Tournament will also be a considered part of the Tournament for purposes of these Media Regulations, unless otherwise specifically set forth in these Media Regulations.
- 2. Overview of Credentials. PGA TOUR issues credentials under these Media Regulations solely to approved individuals ("Credential Holders") representing an approved media outlet ("Media Outlet"). A credential authorizes a Credential Holder, on a temporary and conditional basis, to access a Tournament on behalf of his/her Media Outlet and collect and distribute certain content for news and editorial purposes in accordance with these Media Regulations. Credentials are issued either for a specific Tournament (e.g., to a local outlet) or on a season-long basis.
- **3. Credential Requests.** Credential requests for Tournaments (including Media Days) must be submitted by a Media Outlet for its desired Credential Holders through PGA TOUR's credentialing system. Credential requests from a Media Outlet must include the following information:
 - a. Media Outlet. The name of the Media Outlet.
 - b. Credential Holder(s). The individual name(s) of the Media Outlet's desired Credential Holders.
 - c. Competition Photography. The name of each Credential Holder, if any, that desires to be credentialed as a "Competition Photographer" (for purposes of having the permission set forth in Section II.5.a below).
- **4. Credential Approvals.** PGA TOUR reserves sole discretion to approve or deny a credential request in whole or in part. If PGA TOUR approves a credential request, PGA TOUR will record the approval in its credentialing system and issue a credential to the approved Credential Holder, setting forth the name of the Credential Holder, his/her Media Outlet and whether the Credential Holder is a Competition Photographer. To receive an issued credential, each Credential Holder and his/her Media Outlet must accept and agree to the approved terms of the credential and these Media Regulations in PGA TOUR's credentialing system.
- **5. Areas of Access.** The specific areas of a Tournament site that each Credential Holder may access are determined on a Tournament-by-Tournament basis. Access to certain areas is limited (e.g., "inside the ropes" and locker room). A Credential Holder may access on-site areas only as permitted by PGA TOUR for the relevant Tournament.
- 6. News and Editorial Use Only. A Media Outlet and its Credential Holders may use information and other content collected at a Tournament pursuant to these Media Regulations solely in the Media Outlet's news and editorial coverage of the relevant Tournament and/or Tour. Such information and other content: (a) may not be used in any commercial manner (without limiting the sale of non-targeted, standard advertisements on an Approved Platform (as defined in Section II.1 below)); (b) may not be used to imply an official, marketing, endorsement or sponsorship relationship with PGA TOUR or any other Tour, Tournament or player; and (c) may not be sold, distributed, syndicated or licensed to third parties (except pursuant to Section IV.2 below).
- **7. Revocation of Credentials.** PGA TOUR reserves sole discretion to revoke credentials issued under these Media Regulations, and/or the approved terms of a specific credential, in whole or in part at any time.

SECTION II. CONTENT AND PLATFORMS

1. Approved Platforms.
