In accordance with the PGA TOUR's health and safety guidelines, there will be new on-site protocols in place for 2021, including:

- All tournament ticket sales will be digital, and spectators of all ages must have a ticket to gain entry to the grounds. Tickets must be purchased in advance, and no tickets will be available at the gate.
- No cash will be accepted on-site at TPC River Highlands. All concessions and retail locations will accept cashless forms of payment.
- Masks must be worn at all times unless actively eating or drinking.

- Spectators must follow social distancing measures.

There may be additional health and safety protocols in place for the tournament, however, since these guidelines are continuously being updated, changes will be communicated as needed.

“The health and safety of everyone attending the Travelers Championship and in the Greater Hartford community is what matters most,” said Nathan Grube, Travelers Championship Tournament Director. “Things might look slightly different come tournament week, but we can’t wait to have our fans watching and cheering as another world-class player field competes in Connecticut.”
