What if I can't find my ticket barcode?

1. Make sure you are using your mobile phone. You must use your phone for entry into the parking lot and tournament. The barcodes will not display on your computer desktop.
2. Choose the day you wish to view then click the ticket. A barcode for the ticket will appear. Add to your mobile wallet for easiest access to the tournament.

What happens if a guest confirms their ticket transfer, but can no longer attend the event?

If a guest confirms their ticket transfer and can no longer attend, they simply need to transfer them back to you following the same transfer process you completed initially. Once you receive their transfer confirmation, you can then accept the tickets and send them to a new guest.

What if my guest can't sign in?

If this is the first time your guest has accessed the Travelers Championship Account Manager with this email, they may need to click 'Sign Up'.

Is there a restriction to the number of items we can manage online?

There are no restrictions to the number of items that can be managed through Account Manager. However, if you have a large number of electronic tickets to manage, we do recommend that you start transferring items to your guests two weeks prior to the event.

Can multiple people manage the tickets in our account?

Multiple people can manage tickets from the same account, however only one person can be logged into the account at a time. This is to help avoid having people accidentally send the same ticket to multiple people. Instead, we recommend sending an allotment to each person that will be managing your tickets from the main account and having them then manage their allotment from their own account.

What email address do the confirmation emails come from?

Tickets are sent on behalf of the Travelers Championship from noreply@ticketmaster.com. Please ask your guests to add this to their email address book to avoid any email communication going to their email's junk folder.

How can guests manage their tickets?

You can direct your guests to <http://travelerschampionship.com/manage-your-tickets/> for detailed instructions on how to manage their tickets.

Why don't I see any parking passes in my account?

This year, general parking is included with each ticket on a first-come, first-served basis. Direct your guests to show their ticket to the parking attendant.
