MAXIMUM AMATEUR SCORE

PARKING

Upon arrival at TPC River Highlands, all participants and caddies must have their digital Pro-Am pass available to show to the on-site parking team. All participants and caddies should follow signs to the GRAY LOT. Participants and caddies will then continue to the parking area where they can drop off their golf bags and have their car valeted. After parking, participants and caddies will be directed through security to the Pro-Am Check-In Trailer. Please note there will be no Pro-Am access via Golf Club Road.

PRACTICE FACILITY

The TPC River Highlands practice facility will be open for use for those who are registered to play in the Pro-Am. The practice facility will be open between the hours of 9:00 a.m. and 2:00 p.m.

PRO-AM CADDIES

As a participant in an on-site Pro-Am, amateurs have the option of bringing an amateur caddie to share in the Pro-Am experience with them, or the host organization may provide one. If an amateur chooses not to bring an amateur caddie and the host organization does not provide one, the amateur will be provided with a volunteer caddie.

PRO-AM FORMAT

The CVS Health Tournament Players Pro-Am will be a tee-time start. All amateurs will play from the tournament tees. The format is best ball; everyone plays his or her own ball from tee to green. The best individual score for the hole is taken as the group score. The PGA TOUR professional will keep the official scorecard.

In the event of a playoff, all ties will be broken with a scorecard play-off starting at hole 18 and working backwards.

REGISTRATION

All amateur participants must complete their registration through the tournament's Trust Event platform by Wednesday, June 1, 2022.

SUSPENSION OF PLAY PROCEDURES

When play is suspended for dangerous weather and the players in a group are between the play of two holes, they shall not resume play until the Tournament Staff has ordered a resumption of play. If the players are in the process of playing a hole, they shall discontinue play immediately. A suspension for dangerous weather shall be signaled by one prolonged siren or horn note.

All other types of suspension for non-dangerous weather shall be signaled by several short intermittent siren or horn notes. Penalty for breach of this condition: Disqualification. In the event of inclement or dangerous weather, or other conditions beyond the control of the Travelers Championship or the PGA TOUR, in which the commencement or continuation of the Pro-Am is deemed impractical, then in any such events, the Pro-Am may be delayed, postponed, shortened, or canceled, whichever may be deemed appropriate by the Travelers Championship Tournament Director, or his designee; and, the Travelers Championship shall have no obligation to refund any portion of the entry fee remitted here with the reason of any such postponement, rescheduling or cancellation.
