A NOTE FROM TRAVELERS

On behalf of everyone at Travelers, welcome to the 2022 Travelers Championship!

We gather every year at TPC River Highlands for a world-class event with a hometown spirit – where golf history is made and the entire community comes together to give back.

Travelers is proud to have been part of this tournament since it began in 1952. We're prouder still that in 2007, when some feared that this local legacy might come to an end, Travelers stepped up to serve as title sponsor. Last year, we doubled down, extending through 2030 what will become the longest-running title sponsorship in the event's history. We couldn't be more confident that the best days for this event are still ahead, starting with this year.

Through several days of exhilarating play, the Travelers Championship delivers extraordinary year-round impact. One study estimates that the event generates more than $68 million in economic activity annually in the state of Connecticut. And 100% of the net proceeds from the event go to charity – contributions that have increased sixfold since Travelers assumed the title sponsorship. Last year, the Travelers Championship generated more than $2.2 million for 125 charities in the region, bringing the total raised since 2007 to more than $22 million.

The tournament's primary beneficiary, The Hole in the Wall Gang Camp, is a celebrated Ashford, Connecticut-based nonprofit that serves children coping with serious illnesses, along with their families. At its camp center and through a variety of community outreach programs, the organization helps thousands of children every year experience all the joys of being kids while they continue to get the very best care. It also provides much-needed relief to parents and families, all free of charge.

This exceptional organization is just one of many charities, in sectors from education to the arts, whose efforts the Travelers Championship supports, and we're committed to doing our part to further their important work.

That begins with attracting some of the world's best golfers to compete at the Travelers Championship, and we're proud to say that this year will be one of our best player fields yet, with 10 of the top 20 golfers in the world headed to Cromwell. That includes 2022 Masters champion Scottie Scheffler, ranked No. 1 in the world; 2022 PGA Championship winner Justin Thomas; reigning PGA TOUR Player of the Year Patrick Cantlay; our defending champion Harris English; as well as Brooks Koepka, Rory McIlroy, Jordan Spieth and many more.

Of course, you are integral to the success of this event. The stories you share about the Travelers Championship create an electric atmosphere and hometown pride, and the outcome is higher levels of economic activity for Connecticut and more support for local charities doing remarkable work.

If there is anything we can do to support your work in bringing the Travelers Championship to millions of fans around the world, please let us know. We're grateful for your partnership, and we're looking forward to seeing you at TPC River Highlands.

Sincerely,

Alan Schnitzer
Chairman &
Chief Executive Officer

GOVERNOR LAMONT
WELCOME

Dear Friends,

On behalf of the State of Connecticut, thank you for supporting the 2022 Travelers Championship. This is always a special time of year for us and a point of pride for our community as the PGA TOUR returns to TPC River Highlands, bringing the world's best golfers to our state.

This tournament is Connecticut's signature sporting event. Over the years, the Travelers Championship has assembled a dedicated team that has worked tirelessly behind the scenes to ensure a world-class experience for the athletes and fans. I know Annie and I love walking the fairways each year, just like the tens of thousands of golf fans from Connecticut and beyond.

Playing no small part in those efforts is Travelers. The company stepped up back in 2007 to revive the tournament before it fell off the PGA TOUR schedule, and they have since renewed their contract not once, but three times. We're fortunate to have a company so committed to our communities and to this tournament. I'd also like to personally congratulate Andy Bessette on his induction this week into the Connecticut Golf Hall of Fame.

The Travelers Championship has a major impact on our state and the surrounding area. Not only does it have an annual economic impact of more than $68 million on the State of Connecticut, but it also provides a substantial amount of money to charity. In fact, more than $46 million has been generated for local nonprofits since the tournament started in 1952, and more than half of that has been since Travelers became title sponsor.

I am grateful to everyone who makes the Travelers Championship what it is and helps to continue its legacy as a premier Connecticut attraction. That includes you, because the stories you tell from TPC River Highlands, focusing on the action both inside and outside the ropes, is incredibly impactful.

Thank you, and enjoy the golf this week.

Sincerely,

Ned Lamont
Governor
State of Connecticut

TOURNAMENT DIRECTOR
WELCOME

Dear Media Friends,

On behalf of the tournament staff, thank you for your support of the 2022 Travelers Championship.

Each year, the tournament presents us with the opportunity to improve upon the one before. And while 2021 was a step forward in terms of normalcy, the 2022 Travelers Championship is shaping up to be one of the most exciting tournaments yet.

The player field boasts some of the biggest names in golf. I could not be more excited for our fans to see the competition unfold.

Of course, the strength of our field ties directly into our charitable goals – which is what this tournament, the PGA TOUR and Travelers are all about. Despite the challenges of the past two years, our commitment to this community and the nonprofits that benefit from our tournament has only grown stronger. Last year, we generated more than $2.2 million for charity, and we're striving to surpass that this year.

It goes without saying that we wouldn't be where we are today without our title sponsor. Travelers has helped turn this event into one of the best stops on TOUR, and together, we'll continue to bring the tournament to new heights. We're looking forward to many more years under the umbrella. We also can't think of a better way to start tournament week this year than by seeing our friend, Andy Bessette, get inducted into the Connecticut Golf Hall of Fame. Andy has played a critical role in building this event into what it is today. The golf landscape in Connecticut has forever been changed by his effort and it is fitting that he is being recognized for his role with professional golf in our state.

Before the competition starts, we will have one of the more significant days of tournament week on Tuesday. We will be holding the Charlie Sifford Centennial Celebration Golf Outing at Wethersfield Country Club. Honoring Dr. Sifford for what he did for golf on so many fronts is a proud part of our history, and we are excited to celebrate our 1967 champion and all he means to the game of golf.

Safety remains a top priority at TPC River Highlands, and we're following recommendations from both the PGA TOUR and the state. We'll have increased capacity (but still not quite what it used to be) in the Media Center, we're bringing back on-site events, and I am sure we'll see more fans back on the course with no crowd size restrictions this year. Our mission is to provide the best possible experience for our fans, the players, our sponsors and all of you.

If there is anything we can do to help you this week, please let us know. Your work is critical to this tournament's success, and we appreciate all that you do.

Sincerely,

Nathan Grube
Tournament Director

CHARITABLE FOCUS

a seriousfun camp

Raising money for charity is the most important aspect of the Travelers Championship, and thanks to the tournament's corporate sponsors, including Travelers, the event will be able to generate significant funds for worthy causes throughout the region. Since the tournament's inception in 1952, the event has generated more than $46 million for charity, including more than $2.2 million last year.

This year's tournament will help support more than 130 local charities, including The Hole in the Wall Gang Camp, the primary beneficiary. Founded in 1988 by Paul Newman, Hole in the Wall provides "a different kind of healing" to thousands of children with serious illnesses and family members annually – all completely free of charge. For many of these children and families, the Camp provides multiple camp experiences throughout the year at the facility in Ashford, Conn., in more than 40 hospitals and clinics, directly in camper homes and communities, and through other outreach activities across the Northeast and Mid-Atlantic.

BIRDIES FOR CHARITY

The Birdies for Charity program, sponsored by Webster Bank with support from Enterprise and iHeartCommunities, provides an opportunity for participating nonprofit organizations to earn a 15% bonus on every dollar raised. Launched at the Travelers Championship in 2004, the program makes it easy for donors to pledge money and all administrative and online fees are waived, allowing charities to receive 100% from all donations that are made.

CHARLIE SIFFORD CENTENNIAL CELEBRATION

In June, the Travelers Championship announced that it is working with Travelers and Skins & Pins Golf Club to host the Charlie Sifford Centennial Celebration Golf Outing. The event will take place Tuesday, June 21, at Wethersfield Country Club. Proceeds from the outing will generate money for The Dr. Charles L. Sifford Scholarship, which will help cover college tuition for students who attend a historically Black college or university, or for minority students focusing their education on a golf management program.

Sifford became the first Black golfer to earn a PGA TOUR card in 1961, and he secured his first TOUR win at Wethersfield in 1967. June 2 would have been Sifford's 100th birthday, and the Travelers Championship is recognizing his accomplishments by posthumously naming him honorary chairperson for the 2022 tournament.

"Charlie Sifford made golf history, and we're thrilled to celebrate his accomplishments and what he means to the game for such a good cause," said Nathan Grube, Travelers Championship Tournament Director. "Because of everything that Charlie represents and stood for, we believe it's important to honor his name and memory, especially during this centennial year of his birth."

Sifford's pioneering efforts created a pathway for all minority golfers to develop successful careers in professional golf. Similarly, the goal of The Dr. Charles L. Sifford Scholarship is to help support college students who qualify, as they pursue their professional career of choice.

The Cobbs Creek Foundation will serve as the fiscal sponsor of The Dr. Charles L. Sifford Scholarship. From its founding in 1916, Cobbs Creek has embraced both Black and women golfers and acted as the home course to Sifford during the time he was a Philadelphia resident.

"The Sifford family is immensely proud and honored that the Travelers Championship is recognizing my father, Dr. Charles L. Sifford, with an exhibition tournament in his name," said Charles Sifford Jr. "This tournament is an example of his vision of diversity and inclusion by the golf establishment. The Greater Hartford Open in 1967 was his first PGA TOUR victory. This recognition, and others planned during the week, are especially noteworthy during his centennial celebration year honoring my father's contributions as an African American golfer. We sincerely appreciate all the sponsors for continuing to honor his legacy."

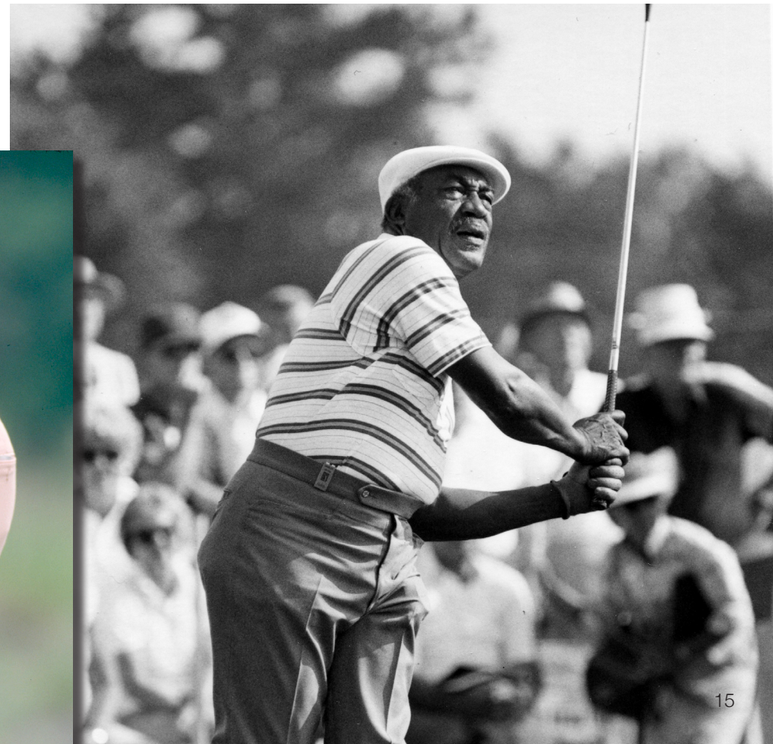

Sifford was born in Charlotte, North Carolina, and became the first Black golfer to play on the PGA TOUR. In addition to his victory at Wethersfield Country Club, he also won a TOUR event at the Los Angeles Open in 1969, then won a tournament on the PGA TOUR Champions in 1980. Sifford was inducted into the World Golf Hall of Fame in 2004 and was given the Presidential Medal of Freedom in 2014.

"Charlie was a trailblazer who holds a special place in the hearts of many golf fans, especially in Connecticut after he won here," said Andy Bessette, Executive Vice President and Chief Administrative Officer at Travelers. "We want golf to be inclusive. We believe in and are committed to diversity in how we operate our company. Recognizing Charlie for all he did, not only in golf but in the pursuit of equality, speaks to that."

TPC RIVER HIGHLANDS

HOLE-BY-HOLE OVERVIEW & RANKINGS

Stroke averages and rank on the following pages are from the 2021 Travelers Championship in order of most difficult to easiest.

HOLE #1

434 YARDS | PAR 4 | STROKE AVERAGE: 4.015 | RANK: 8

Finding the fairway on the opening hole at TPC River Highlands is a must. With a good tee shot, players are left with an uphill second shot to a green that slopes from back to front. The contours of the green allow players to be aggressive with their birdie putts.

HOLE #2

341 YARDS | PAR 4 | STROKE AVERAGE: 3.906 | RANK: 13

Players are presented with options on this short par 4. Challenging the hole with a driver presents a risk vs. reward opportunity. If a player pulls off a good tee shot, birdie is a good possibility. Make a mistake, however, and a player will be fighting for bogey.

HOLE #3

431 YARDS | PAR 4 | STROKE AVERAGE: 3.981 | RANK: 10

A drive down the right side of the fairway is ideal on this hole. Players should avoid the fairway bunkers, as they will pose a problem with reaching the green in two shots. Players are left with a mid-iron approach to one of the largest greens on the golf course.

HOLE #4

481 YARDS | PAR 4 | STROKE AVERAGE: 4.196 | RANK: 1

Playing as the longest par 4 in the Travelers Championship, hole No. 4 at TPC River Highlands can be very challenging. Stretching out to 481 yards, it requires two great golf shots to safely reach the green. Par is a very good score on this hole.

HOLE #5

223 YARDS | PAR 3 | STROKE AVERAGE: 3.157 | RANK: 2

Players are tested once again when they reach No. 5. This long par 3 requires a long iron, hybrid, or fairway wood to find the green. Long putts are common on this large green and navigating them properly will determine what kind of score the player will take.

HOLE #6

574 YARDS | PAR 5 | STROKE AVERAGE: 4.728 | RANK: 18

Players have a great scoring opportunity on this dogleg right par 5. Only the longest hitters can reach this green in two shots, however a good wedge shot from inside 100 yards can make birdie a real possibility.

HOLE #7

443 YARDS | PAR 4 | STROKE AVERAGE: 4.015 | RANK: 8

This straightforward par 4 requires a good tee shot that avoids the collection of large fairway bunkers down the right side. A well-placed tee shot leaves a mid-iron approach to the green.

HOLE #8

202 YARDS | PAR 3 | STROKE AVERAGE: 3.030 | RANK: 7

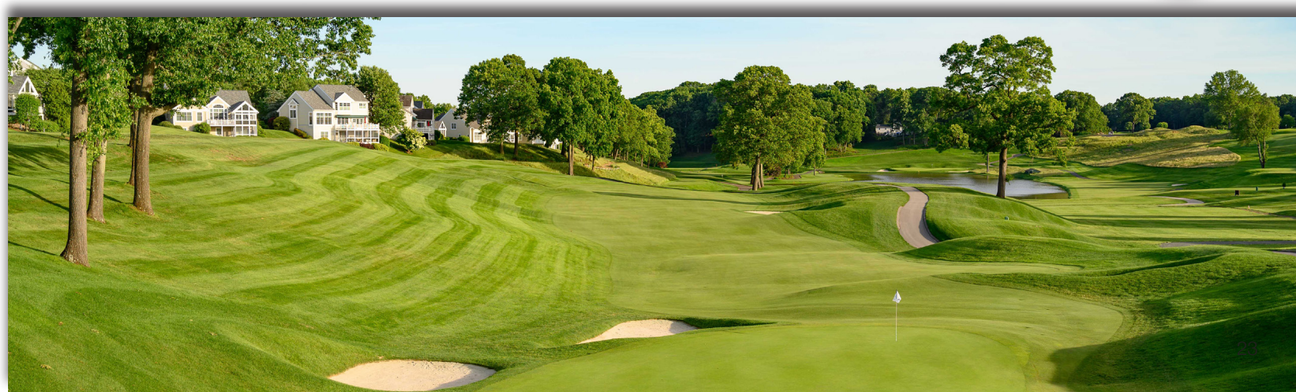

Judging the wind correctly is extremely important on this picturesque par 3. The trees that border the left side of the hole hinder the player's ability to calculate wind strength and direction. Trust in their club selection will be critical in order to play this hole well.

HOLE #9

406 YARDS | PAR 4 | STROKE AVERAGE: 3.889 | RANK: 14

This sharp dogleg right par 4 is all about position. From the fairway, players are able to attack the pin with a short iron. Spectators can expect to see many birdies here as players prepare to make the turn to the back nine.

HOLE #10

462 YARDS | PAR 4 | STROKE AVERAGE: 4.126 | RANK: 3

Hole No. 10 plays as a narrow par 4 that requires a long, straight tee shot that avoids the large oak tree on the left side of the fairway. From there, a downhill approach shot leads to a long, narrow green that slopes from front to back.

HOLE #11

158 YARDS | PAR 3 | STROKE AVERAGE: 2.883 | RANK: 15

Take one club less on this downhill par 3. A deep bunker guards the front right part of the green. Professionals will hope to be inside 15 feet on this hole with a putt at birdie.

HOLE #12

411 YARDS | PAR 4 | STROKE AVERAGE: 4.085 | RANK: 5

With the Connecticut River on the left and tall grass on the right, an accurate tee shot is essential on this undulating par 4. Too long off the tee leaves the player a downhill lie. The elevated green can be treacherous with many severe breaks.

HOLE #13

523 YARDS | PAR 5 | STROKE AVERAGE: 4.828 | RANK: 16

At 523 yards, most professionals in the Travelers Championship will be able to reach this par 5 in two shots. Accuracy is required, with water to the right and out of bounds to the left off the tee, and water in front of the green with out of bounds lurking left. Players who don't go for the green in two will have to lay up on the right-hand side of the fairway.

HOLE #14

421 YARDS | PAR 4 | STROKE AVERAGE: 3.970 | RANK: 11

Players face a blind tee shot at this dogleg left par 4. With a drive down the right side, players are left with a downhill second shot allowing them to look right down at the flagstick and take aim.

HOLE #15

296 YARDS | PAR 4 | STROKE AVERAGE: 3.768 | RANK: 17

One of the most exciting holes on the PGA TOUR, the 296-yard hole No. 15 at TPC River Highlands forces players to make good decisions. There is water to the left and sand to the right. Anywhere from a 2 to 6 can be recorded on a player's scorecard when walking off this green.

HOLE #16

171 YARDS | PAR 3 | STROKE AVERAGE: 3.051 | RANK: 6

This scenic par 3 requires a well-struck mid iron to clear the forced carry over water and stop the ball on the narrow green. The green has a lot of slope in it and pin locations can be difficult.

HOLE #17

431 YARDS | PAR 4 | STROKE AVERAGE: 4.126 | RANK: 3

Intimidation takes on a new meaning when standing on the tee box at No. 17. Players must fit their shot between the large lake that covers the entire right side and the difficult fairway bunker on the left. A good drive is just the first part to leaving this hole with a par. The approach shot will need to carry the water the entire way, and with any wind, club selection is of most importance. Crowds are huge on this hole because they know it can be the breaking point in the tournament.

HOLE #18

444 YARDS | PAR 4 | STROKE AVERAGE: 3.919 | RANK: 12

An absolute perfect finishing hole that allows players to make birdie if they play the hole well. At 444 yards, a good drive leaves a mid- to short-iron approach to a green surrounded by spectators.

TOURNAMENT PLAYOFFS

2021
Harris English needed eight playoff holes – a tournament record and the second-longest in PGA TOUR history – to outlast the opposition and outduel his opponent, Kramer Hickok, securing his fourth career PGA TOUR victory. The historic playoff came after both players finished 72 holes at 13-under 267, with each making a birdie at the 18th hole. After Hickok's tying birdie forced English out of the clubhouse and back to the tee, the two competitors each parred the first seven holes in a sudden-death playoff that seemed like it would never end. English birdied the eighth extra hole, knocking in a 16-foot putt to finally claim victory.

2017
Jordan Spieth began the final round with a one stroke lead at 12-under par. During Sunday's round, Spieth shot an even par 70 to force him into a sudden death playoff with Daniel Berger, who shot a 3-under 67. With both Spieth and Berger finishing 12-under par at 268, the sudden death playoff took place on the par-4 18th. On the first playoff hole, Spieth landed his second shot into the front right greenside bunker. Spieth's next shot was holed out from the bunker for a birdie. Berger was unable to sink a long birdie putt to tie, giving Spieth the victory and claiming his 10th PGA TOUR win.

2015
Bubba Watson had been near the top of the leaderboard for most of the week since he opened with a round of 62 on Thursday, his best at TPC River Highlands. After a bogey on the 17th hole in regulation, Watson made par on the 18th to force a playoff with Paul Casey. After both made par on No. 18, the first playoff hole, they both went back to the tee to play the closing hole for the third time on Sunday. THE UMBRELLA AT 15½

During the practice round on Tuesday, PGA TOUR professionals and caddies are given a chance to hit at the famous Travelers floating umbrella. The hole is known as The Umbrella at 15½, which is located between the 15th and 16th holes at TPC River Highlands. The hole is 85 yards long and the target is a 40-foot umbrella. The players are given one attempt at the umbrella, with the closest to the pin winner receiving $10,000 to the charity of their choice.

In 2021, Scott Stallings won The Umbrella at 15 ½ Challenge with a shot that finished 10 inches from the pin at the floating red green. Travelers donated $10,000 to Stallings's designated charity, Tennessee Golf Association.

CONNECTICUT SECTION PGA

Every year, the Connecticut Section PGA awards an exemption into the Travelers Championship for one of its PGA of America members. Over the years, the criteria for the exemption have changed. Currently, the lowest scoring Connecticut Section affliated PGA of America member in the Connecticut PGA Championship in May earns the exemption into this year's Travelers Championship. The last person affiliated with the Connecticut Section PGA to make the cut was Tom Sullivan in 1995. At the time, Sullivan was a PGA of America Apprentice working toward his Class A membership. Sullivan did not qualify for the tournament through a section exemption, but rather through Monday Open qualifying. Sullivan went on to shoot 69-71-74-77-291 to finish in 77th place. The last Connecticut Section PGA professional who earned an exemption and made the cut that year was Doug Dalziel in 1981.

HISTORY IN CONNECTICUT

Harris English’s eighth trip to TPC River Highlands resulted in a historic triumph, with the 31-year-old defeating Kramer Hickok after an eight-hole sudden-death playoff battle. It marked the longest playoff in tournament history, eclipsing 1961 and 1962, when seven extra holes were needed to decide the champion. The win was English’s fourth career victory on the PGA TOUR and second of the season after having won the Sentry Tournament of Champions in Hawaii.

In Thursday’s opening round, English shot a 3-under 67. He started by making a birdie on two of his first three holes and went on to card a 1-under 34 at the turn. He played even better on the back nine with a 2-under 33. He limited the mistakes, with only one bogey on No. 7, and made birdies on Nos. 2, 3, 12 and 15. Two players were tied for the lead after the opening round, with Hickok and Satoshi Kodaira turning in impressive 7-under 63s. English finished the day tied for 15th.

English began his second round on the back nine, where he parred his first five holes, birdied No. 15, then parred out. He performed similarly on the front nine, where he parred the first six holes, birdied No. 7 and parred out for a 1-under on each side and a bogey-free, 2-under 68 on the day. This kept English in the mix at the halfway point, tied for 20th place and sitting at 5-under, trailing leader Jason Day by four strokes.

On Saturday, English got off to a rocky start with a bogey on his first hole, but immediately showed resilience as he birdied his second hole and would go on to shoot a 4-under 31 on the front nine with five birdies across an eight-hole stretch. He cooled off to start the back nine with three consecutive pars before making a birdie on No. 13. English didn’t finish as strong this time, going 2-over through his final five holes. After the dust settled on Day 3, English was 8-under, tied for sixth place and only two shots behind co-leaders Hickok and Bubba Watson.

For Sunday’s final round, English was paired with Day, the talented Australian pro and 12-time PGA TOUR winner. English displayed great poise on the front nine, posting a bogey-free, 3-under 32. Solidly in contention but still trailing Watson, English put himself in great position after adding birdies at Nos. 13 and 16. At the par-4 17th hole, however, English picked up his first bogey of the day. He would again show tremendous heart as he rallied back to birdie the 18th hole after draining a 28-foot putt, providing convincing evidence that the moment was not too big for him.

After signing his scorecard and retreating to the clubhouse, English was hoping he would be able to win without having to take another swing, but Hickok had other ideas. Hickok birdied his final hole of regulation as well with an impressive putt to force the playoff as each player finished 72 holes at 13-under. Matching par after par during the playoff, the competition would continue. Over the first seven extra holes, playing the 18th hole five times and the 17th hole twice, neither man gave in. Finally, playing the par-4 18th hole for the sixth time in the playoff, English would sink another pivotal putt. His 16-foot birdie found the bottom of the cup to defeat Hickok and cement his place in Travelers tournament history.

PGA TOUR MEDIA REGULATIONS

PGA TOUR MEDIA REGULATIONS

*These Media Regulations establish the terms by which a media outlet and its representatives may request, receive and use credentials to access PGA TOUR tournaments for news and editorial purposes. These Media Regulations form a binding contract between PGA TOUR, Inc. ("**PGA TOUR**"), a Media Outlet and its Credential Holders (as defined below). In consideration of receiving credentials from PGA TOUR under these Media Regulations, each Media Outlet and its Credential Holders accept and agree to these Media Regulations.*

SECTION I. GENERAL TERMS

1. PGA TOUR Holds Exclusive Media Rights. PGA TOUR holds the exclusive right to provide media outlets and their representatives with access to Tournaments. All media rights in and to Tournaments, including rights to all forms of audio, video and photography, are held exclusively by PGA TOUR. For purposes of these Media Regulations, "Tournaments" means all sanctioned tournaments on the PGA TOUR, PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica, Mackenzie Tour – PGA TOUR Canada and PGA TOUR China (the "Tours"), including the competition, practice rounds (including pro-ams), qualifiers, practice areas, hospitality areas and all surrounding events and areas at the tournament site(s) on all tournament days (typically Monday - Sunday). A "Media Day" preceding the week of a Tournament will also be a considered part of the Tournament for purposes of these Media Regulations, unless otherwise specifically set forth in these Media Regulations.

2. Overview of Credentials. PGA TOUR issues credentials under these Media Regulations solely to approved individuals ("Credential Holders") representing an approved media outlet ("Media Outlet"). A credential authorizes a Credential Holder, on a temporary and conditional basis, to access a Tournament on behalf of his/her Media Outlet and collect and distribute certain content for news and editorial purposes in accordance with these Media Regulations. Credentials are issued either for a specific Tournament (e.g., to a local outlet) or on a season-long basis.

3. Credential Requests. Credential requests for Tournaments (including Media Days) must be submitted by a Media Outlet for its desired Credential Holders through PGA TOUR's credentialing system. Credential requests from a Media Outlet must include the following information:

a. Media Outlet. The name of the Media Outlet.
b. Credential Holder(s). The individual name(s) of the Media Outlet's desired Credential Holders.
c. Competition Photography. The name of each Credential Holder, if any, that desires to be credentialed as a "Competition Photographer" (for purposes of having the permission set forth in Section II.5.a below).

4. Credential Approvals. PGA TOUR reserves sole discretion to approve or deny a credential request in whole or in part. If PGA TOUR approves a credential request, PGA TOUR will record the approval in its credentialing system and issue a credential to the approved Credential Holder, setting forth the name of the Credential Holder, his/her Media Outlet and whether the Credential Holder is a Competition Photographer. To receive an issued credential, each Credential Holder and his/her Media Outlet must accept and agree to the approved terms of the credential and these Media Regulations in PGA TOUR's credentialing system.

5. Areas of Access. The specific areas of a Tournament site that each Credential Holder may access are determined on a Tournament-by-Tournament basis. Access to certain areas is limited (e.g., "inside the ropes" and locker room). A Credential Holder may access on-site areas only as permitted by PGA TOUR for the relevant Tournament.

6. News and Editorial Use Only. A Media Outlet and its Credential Holders may use information and other content collected at a Tournament pursuant to these Media Regulations solely in the Media Outlet's news and editorial coverage of the relevant Tournament and/or Tour. Such information and other content: (a) may not be used in any commercial manner (without limiting the sale of non-targeted, standard advertisements on an Approved Platform (as defined in Section II.1 below)); (b) may not be used to imply an official, marketing, endorsement or sponsorship relationship with PGA TOUR or any other Tour, Tournament or player; and (c) may not be sold, distributed, syndicated or licensed to third parties (except pursuant to Section IV.2 below).

7. Integrity and Gambling. To protect the integrity of PGA TOUR and/or Tournament competitions, a Media Outlet and/or Credential Holder shall not capture, collect, distribute or provide to any third party any results, data, content or information at or from a Tournament, or use, distribute or provide to any third party any data provided by PGA TOUR under these Media Regulations, for purposes of or in connection with any gambling, gaming, daily fantasy or similar activity ("Gambling") unless permitted pursuant to a separate agreement with PGA TOUR. Further, a Media Outlet and/or Credential Holder shall not provide Inside Information (as defined below) to any third party that he or she knew would be used, or should have known would be used, for Gambling on a Tournament. Within these Media Regulations, "Inside Information" means information relating to a Tournament (e.g., the health of a player, the conditions of a course, etc.) that is not publicly available and that a Credential Holder knows due to his or her access to a Tournament under these Media Regulations. However, this Section 7 does not prohibit a Media Outlet and/or Credential Holder from publicly disclosing information and other content collected by the Credential Holder at a Tournament in the course of the Media Outlet's news and editorial coverage of the relevant Tournament from a Gambling perspective (e.g., publicly analyzing a player's current form in publicly recommending Gambling picks for a Tournament). In addition, a Credential Holder should not ask PGA TOUR players or caddies questions that would reasonably be expected to lead to a player violating or discussing a violation of the PGA TOUR Integrity Program Manual, which prohibits players from betting on a professional golf event or providing Gambling tips or analyses for a professional golf event, among other things. PGA TOUR will provide the Credential Holder with a copy of the PGA TOUR Integrity Program Manual upon request.

8. Revocation of Credentials. PGA TOUR reserves sole discretion to revoke credentials issued under these Media Regulations, and/or the approved terms of a specific credential, in whole or in part at any time.

SECTION II. CONTENT AND PLATFORMS

1. Approved Platforms. Within these Media Regulations, "Approved Platforms" means, with respect to each Media Outlet: (a) the official publications, television channels, websites, software applications ("apps") and social media accounts that are operated by the Media Outlet and branded with the brand of the Media Outlet; and (b) the personal social media accounts of the Media Outlet's Credential Holders (e.g., a reporter's personal Twitter account); provided, however, that such personal accounts may be used solely in the course of a Credential Holder representing his/her Media Outlet under these Media Regulations to complement the Media Outlet's news and editorial coverage of the relevant Tournament and/or Tour. PGA TOUR may revoke the rights set forth in these Media Regulations with respect to one or more Approved Platforms of a Media Outlet in whole or in part at any time in its sole discretion.

2. Information and Data.

a. Collection of Information. A Credential Holder may collect information at Tournaments and report such information via Approved Platforms as part of his/her Media Outlet's news and editorial coverage of the relevant Tournament and/or Tour, subject to the terms and conditions of these Media Regulations.
b. Use of Data. Any and all feeds of scoring data, statistical information and other data provided by PGA TOUR to a Media Outlet and/or its Credential Holders at a Tournament are provided solely to enhance the Media Outlet's news and editorial coverage of the Tournament under these Media Regulations (and subject to Section II.9 below). Such data feeds may not be distributed by a Media Outlet and/or Credential Holder in whole or in part unless a separate data license agreement in entered into with PGA TOUR.

3. Video.

a. Commentary / Interviews / Press Conferences. A Credential Holder may capture video of (i) commentary by the Credential Holder in the Media Center (e.g., "stand-up" Tournament updates), (ii) one-on-one interviews by the Credential Holder in the Media Center and any "flash" interview areas designated by PGA TOUR staff, and (iii) interviews organized by PGA TOUR Staff in the Media Center interview room and/or in "flash" interview areas (e.g., "press conferences"). A Credential Holder and/or his/her Media Outlet may distribute such video on a live and/or delayed basis via Approved Platforms. A Credential Holder may not capture video of practice or competition rounds, including any activity on the golf course or in the practice areas, unless permitted under the immediately following paragraph.
b. Practice Areas / Highlights. A Credential Holder, if and only if representing a Media Outlet that owns and operates a linear, 24x7x365 channel distributed via free-to-air, cable, satellite, IPTV and/or OTT platforms that is an Approved Platform, may capture video of interviews from the practice areas and highlights of practice and competition rounds. Such video: (i) may solely be captured for and used in a regularly scheduled news program on such linear channel (and simulcast via the Media Outlet's digital platforms that are Approved Platforms where such linear channel is simulcast on a 24x7x365 basis); (ii) may not be in excess of three (3) minutes in the aggregate per day from each Tour; and (iii) may not be distributed in any geographic market until PGA TOUR's broadcaster(s) of the Tournament in such geographic market has concluded its telecast of that day's live or initial air coverage.

4. Audio. A Credential Holder may capture audio of (a) commentary by the Credential Holder in the Media Center (e.g., "stand-up" Tournament updates), (b) one-on-one interviews by the Credential Holder in the Media Center and any "flash" interview areas designated by PGA TOUR staff and (c) interviews organized by PGA TOUR Staff in the Media Center interview room and/or in "flash" interview areas (e.g., "press conferences"). The Credential Holder and/or his/her Media Outlet may distribute such audio on a [live] and/or delayed basis via Approved Platforms. A Credential Holder may not capture "play-by-play" or similar audio descriptions of practice or competition rounds, including any activity on the golf course or in the practice areas.

5. Photography.

a. Competition Photographers. If a Credential Holder is credentialed as a Competition Photographer, he/she may capture photographs on all Tournament days throughout the Tournament site, including of competition.
b. Non-Competition Photographers. If a Credential Holder is not credentialed as a Competition Photographer:
i. Practice Days. On practice days (typically Monday – Wednesday), the Credential Holder may capture photographs throughout the Tournament site, including of practice areas and practice rounds.
ii. Competition Days. On competition days (typically Thursday – Sunday), the Credential Holder may capture photographs solely of the practice areas, in the Media Center and designated interview areas and of non- competition areas of

the Tournament site (e.g., hospitality areas).
c. Distribution. A Credential Holder and/or his/her Media Outlet may distribute photographs captured at a Tournament solely via Approved Platforms. Such photographs may not be used with real-time or near real-time information or sequenced to create a "shot by shot" or "hole by hole" account of the day's play, nor may photos be sequenced in such a way as to approximate video.

6. Drone Use. Drones (or unmanned aircraft systems) may not be used at PGA TOUR-sanctioned tournaments (across all PGA TOUR-operated tours) at any time during tournament week, including on practice round days, without the written approval of PGA TOUR. PGA TOUR will consider requests to fly drones at tournaments on a case-by-case basis. PGA TOUR expects to approve drone flights at tournaments only in limited circumstances where flights may be conducted safely, in accordance with FAA rules (e.g., not over people) and without any disruption to the competition. Each request to fly a drone during tournament week must be submitted no later than Monday of the week prior to the tournament to PGA TOUR electronically via the following link: https://registrations.pgatourhq.com/forms/onsitecontent.

7. Media Days. On Media Days, a Credential Holder may capture video and/or audio of commentary by the Credential Holder, press conferences and interviews by the Credential Holder, and special events at Media Days (e.g., clinics, promotions, etc.). A Credential Holder and/or his/her Media Outlet may distribute such video and/or audio on a live and/or delayed basis via Approved Platforms. Each Credential Holder (whether a Competition or Non-Competition Photographer) may capture photographs of all Media Day activities and distribute such photographs through Approved Platforms as set forth in Section II.5.c immediately above.

8. Timing of Content Distribution. Audio, video, and photos captured at Tournaments may be used and posted in Approved Platforms until (and not after) forty-eight (48) hours following the conclusion of the applicable Tournament. If audio, video, or photos are used or posted in Approved Platforms prior to such deadline, the Media Outlet and/or Credential Holder will not be required to take down such audio, video, or photos after such deadline unless PGA TOUR requests.

9. Archiving and Aggregation. A Media Outlet and/or Credential Holder may not archive, compile or aggregate content collected and captured at a Tournament pursuant to these Media Regulations, including without limitation for purposes of a gallery, program, show, product or service covering PGA TOUR, any other Tour(s) and/or Tournament(s).

10. No Real-Time Coverage. A Media Outlet and/or Credential Holder's coverage of a Tournament from on site on any platform may not purport to be, approximate or serve as a substitute for play-by-play, hole-by-hole or real-time coverage of a Tournament via PGA TOUR's official or licensed platforms, as determined by PGA TOUR.

11. Promotion of Coverage. A Media Outlet and/or Credential Holder may not advertise, market, promote or imply the offering of "live" coverage of Tournament action (practice or competition) under these Media Regulations.

12. Ownership. As a condition to receiving credentials hereunder and being provided with access to a Tournament, each Media Outlet and Credential Holder acknowledges and agrees that PGA TOUR is the sole owner of all rights, including all copyrights, in and to all audio and video captured at a Tournament (of golf action or otherwise). Each Media Outlet and Credential Holder hereby assigns to PGA TOUR all such rights, provided that each Media Outlet and Credential Holder is hereby authorized to use such audio and video as expressly permitted under these Media Regulations. At PGA TOUR's request, each Media Outlet and Credential Holder will execute any further documentation reasonably requested and provided by PGA TOUR to effect PGA TOUR's ownership of such audio and video. Further, at PGA TOUR's request, each Media Outlet and Credential Holder will provide PGA TOUR with copies of all such audio and video, and all photography it/he/she captured at a Tournament, at PGA TOUR's cost and expense.

13. Credits. Uses of video pursuant to these Media Regulations, where reasonably practicable and customary, shall be made with a courtesy credit to PGA TOUR.

14. Takedowns. PGA TOUR may issue and/or request takedowns of content captured at a Tournament as applicable in the event of any violation of these Media Regulations. Each Media Outlet and Credential Holder agrees to promptly comply with any such request.

15. Other Content and Platforms. Content and platforms not specifically addressed in these Media Regulations, including virtual and augmented reality, may not be captured at a Tournament or used by a Media Outlet and/or Credential Holder unless set forth in a separate written agreement with PGA TOUR.

Such third party media organizations may use such information and other content solely for their news and editorial coverage on the same terms and conditions applicable to Media Outlets under these Media Regulations. Each wire and news distribution service will be responsible for the compliance of its third party media organizations with the terms and conditions of these Media Regulations. These Media Regulations are not intended to and do not serve as a waiver of any intellectual property or other rights of PGA TOUR.

8. Reservation of Rights. PGA TOUR reserves all rights not expressly granted to a Media Outlet and/or Credential Holder under these Media Regulations.

9. No Transferability. These Media Regulations, and each credential issued hereunder, may not be transferred, conveyed or assigned by a Media Outlet or Credential Holder.

10. Entire Agreement. These Media Regulations constitute the entire agreement among PGA TOUR, a Media Outlet and its Credential Holders with respect to the matters covered in these Media Regulations and shall supersede all prior written, oral, or implied understandings among them with respect to such matters. Any other terms or conditions proposed by a Media Outlet or Credential Holder are hereby rejected.

11. Governing Law; Venue. These Media Regulations will be construed and enforced according to the laws of the State of Florida, without regard to conflicts of law principles. Each party irrevocably submits to the exclusive jurisdiction of the courts of St. Johns County in the State of Florida and the federal courts of the Unites States of America located in Jacksonville, Florida for any action or proceeding arising out of or related to these Media Regulations.

12. Acceptance of Media Regulations. By using a credential, each Credential Holder and his/her Media Outlet accepts and agrees to the approved terms of the credential and these Media Regulations (in the event the Credential Holder and/or Media Outlet has not already accepted and agreed).

13. Questions. Please contact the PGA TOUR Communications Department with any questions regarding these Media Regulations.
