

TRAVELERS
CHAMPIONSHIP

2027 INTERNSHIP PROGRAM

The Travelers Championship Internship Program gives college students a unique, hands-on opportunity to experience what goes into organizing a professional sporting event. Interns become an active part of the tournament team while gaining experience across areas including sales, ticketing, operations, volunteers, design and more. We're looking for highly motivated, dependable, detail-oriented team players who are ready to learn, contribute and take on meaningful responsibility.

WHAT TO EXPECT:

- The nature of this program is that internship hours may be lighter earlier in the year, with intensity increasing as the tournament approaches.
- May and June are our busiest months. During this period, interns should expect longer days and required availability for evenings, weekends and special events.
- Due to the demands of this internship, maintaining another job or significant outside commitment during May and June is difficult and not recommended.
- This is a high-intensity, hands-on internship. As the tournament approaches, interns should expect the pace, workload and time commitment to increase significantly.
- Students are strongly encouraged to ask questions during the application and interview process to fully understand the expectations.

TIME COMMITMENT:

All interns are expected to be available weekends, evenings and special occasions including Memorial Day, Father's Day and the college graduation season.

Spring Internship (January – July)

A set schedule is required and will be developed after the student's course schedule is finalized for the spring semester. Interns must be available daily once the spring semester ends through mid-July. Students may receive course credit during the academic year and a \$2,000 stipend during the summer months.

Summer Internship (May – July)

Full-time internships are also available from the end of the spring semester - mid-July. All summer interns will work in Cromwell, with some beginning the internship in Hartford depending on their area of focus. Students will receive a \$2,000 stipend during the summer months.

LOCATION: Travelers Championship offices are in Hartford, CT & TPC River Highlands in Cromwell, CT.

READY TO APPLY?

Submit your resume and cover letter to Taylor Whiting via email or [TeamWork Online](#) by Sunday, November 1. Early submissions are encouraged, as applications will be reviewed on a rolling basis.
